# Carrera USB Charging Cable User Manual

Model: 370410145

## INTRODUCTION

This manual provides essential information for the safe and effective use of your Carrera USB Charging Cable (Model 370410145). This cable is designed to charge the batteries of specific Carrera quadcopters, including the CRC X1 (370503001), RC Video One (370503003), and Power Force (370503099).

Please read this manual thoroughly before using the product to ensure proper operation and to prevent damage.

Figure 1: Carrera USB Charging Cable. This image shows the black USB charging cable with a standard USB-A connector on one end and a proprietary two-pin connector on the other end, designed for specific Carrera quadcopter batteries.

## SAFETY INFORMATION

Always observe the following safety precautions:

- Do not expose the cable to water or extreme temperatures.
- Use only with compatible Carrera quadcopter batteries as specified.
- Do not attempt to modify or repair the cable. Contact customer support if damaged.
- Keep out of reach of small children.
- Disconnect the cable from the power source when not in use.

## SETUP

Setting up your Carrera USB Charging Cable is straightforward:

1. Ensure your quadcopter battery is compatible with this charging cable (CRC X1, RC Video One, Power Force).
2. Locate a standard USB power source (e.g., computer USB port, USB wall adapter, power bank).
3. Connect the USB-A end of the charging cable to the USB power source.
4. Connect the two-pin connector end of the charging cable to the charging port on your quadcopter battery. Ensure the connection is secure.

The charging process should begin automatically. Refer to your quadcopter's manual for specific battery charging indicators.

## OPERATING INSTRUCTIONS

Once connected, the charging cable facilitates the transfer of power to your quadcopter battery. The charging time will vary depending on the battery's capacity and its current charge level.

- **Charging Indicator:** The charging cable itself does not have an indicator light. Please refer to the LED indicator on your quadcopter battery or quadcopter for charging status.
- **Full Charge:** Disconnect the battery from the charging cable once it is fully charged to prevent overcharging, as indicated by your quadcopter's battery status.
- **Optimal Performance:** For best battery life, avoid completely draining the battery before recharging.

## MAINTENANCE

Proper maintenance ensures the longevity of your charging cable:

- **Cleaning:** Wipe the cable and connectors with a dry, soft cloth. Do not use liquid cleaners.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and moisture. Avoid tightly coiling the cable to prevent damage to the internal wires.
- **Inspection:** Periodically inspect the cable for any signs of wear, fraying, or damage to the connectors. If damage is observed, discontinue use and replace the cable.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Battery not charging.	Cable not properly connected.	Ensure both the USB end and the battery connector are securely plugged in.
Battery not charging.	USB power source is not active or faulty.	Try a different USB port or power adapter. Ensure the power source is providing sufficient power.
Battery not charging.	Battery is faulty or incompatible.	Verify the battery is compatible with this charger. If the battery is old or damaged, it may need replacement.
Cable appears damaged.	Physical wear or misuse.	Discontinue use immediately. Replace the cable with an official Carrera replacement.

If you continue to experience issues, please contact Carrera customer support.

## SPECIFICATIONS

- **Model Number:** 370410145
- **Product Dimensions:** 20 x 20 x 10 cm (approximate, for packaging)
- **Weight:** 10 g
- **Material:** Plastic
- **Connector Type:** USB-A (input), Proprietary 2-pin (output)
- **Compatible Devices:** Carrera CRC X1 (370503001), RC Video One (370503003), Power Force (370503099) Quadcopters

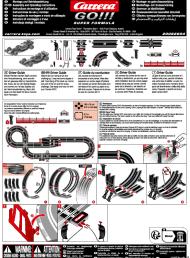

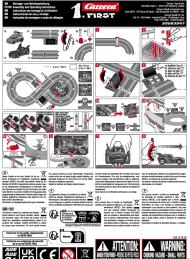

## WARRANTY AND SUPPORT

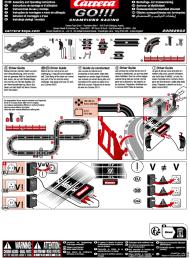

For warranty information and customer support, please refer to the official Carrera website or contact your local distributor. Keep your proof of purchase for any warranty claims.
