Mega Construx CNF60

Mega Construx Minions Supervillain Jet Building Set Instruction Manual

Model: CNF60

Introduction

This manual provides detailed instructions for the assembly, operation, and care of your Mega Construx Minions Supervillain Jet building set. Please read all instructions carefully before beginning assembly to ensure proper construction and safe use.

Package Contents

Before starting, verify that all components are present. The set includes:

- Building blocks for the Supervillain Jet.
- Two buildable Minion character figures: Kevin and Stuart.
- Interchangeable parts for Minions, including overalls, goggles, arms, feet, and hair.
- Instruction booklet.

If any parts are missing or damaged, please contact customer support.

Setup and Assembly

Follow the step-by-step instructions provided in the included instruction booklet to assemble the Supervillain Jet and the Minion figures. It is recommended to sort all pieces by color and shape before beginning assembly to facilitate the process.

Key Assembly Features:

- **Jet Structure:** Construct the main body of the jet, ensuring all connections are secure.
- **Cockpit and Canopy:** Assemble the opening cockpit and transparent canopy.
- **Ejector Seat Mechanism:** Integrate the working ejector seat into the cockpit area.
- **Side Launchers:** Attach the two side launchers to the jet's wings.
- **Trap Door:** Install the lower trap door mechanism.
- **Minion Figures:** Build Kevin and Stuart, utilizing their interchangeable parts for customization.

Operating Instructions

Once assembled, the Supervillain Jet offers several interactive features:

- **Cockpit Access:** Open the cockpit and canopy to place a Minion figure inside.
- **Ejector Seat:** Activate the ejector seat mechanism to launch the pilot Minion from the cockpit.
- **Side Launchers:** Utilize the two side launchers for projectile play.
- **Trap Door:** Open the lower trap door for quick escapes or to deploy the rappel line.
- **Rappel Line:** Attach a Minion figure to the included line and use the trap door to rappel them down.
- **Minion Customization:** Interchange parts (overalls, goggles, arms, feet, hair) between Kevin and Stuart to create unique Minion combinations.

Maintenance and Care

To ensure the longevity of your Mega Construx Supervillain Jet:

- **Cleaning:** Wipe down the blocks with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic parts.
- **Disassembly:** If disassembling, do so carefully to avoid damaging the connection points of the blocks.

Troubleshooting

Problem	Possible Cause	Solution
Parts do not fit together securely.	Incorrect part selection or improper alignment.	Double-check the instruction booklet for the correct parts and ensure they are aligned properly before pressing together. Apply firm, even pressure.
Ejector seat or launchers are not working.	Mechanism not assembled correctly or obstructed.	Review the assembly steps for the specific mechanism. Ensure no loose parts are blocking movement.
Trap door is loose or does not stay closed.	Hinge mechanism may be worn or incorrectly assembled.	Inspect the hinge pieces for damage. Reassemble the trap door section carefully, ensuring all connecting pieces are firmly in place.
Landing gear detaches easily.	Weak connection points or incorrect assembly.	Ensure the landing gear is attached to the correct studs with sufficient pressure. If the issue persists, check for any damaged pieces.

Specifications

- **Model Number:** CNF60
- **Product Dimensions:** 16 x 2.24 x 11.5 inches
- **Item Weight:** 0.035 ounces
- **Manufacturer Recommended Age:** 5 - 10 years
- **Manufacturer:** Mattel
- **Release Date:** October 9, 2017

Warranty and Support

Information regarding product warranty and customer support was not provided in the available data. For assistance with missing parts, assembly issues, or product defects, please refer to the contact information provided on the product packaging or the official Mega Construx website.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
