Mainstays 6 Foot Centerfold Folding Table, Black Instruction Manual

Model: 14678WSL1W

INTRODUCTION

This manual provides instructions for the proper setup, operation, and maintenance of your Mainstays 6 Foot Centerfold Folding Table. Please read this manual thoroughly before using the product to ensure safe and efficient use.

SAFETY INFORMATION

Caution:

This table is foldable and may have sharp edges. Always use caution when handling and assembling/disassembling the table. Keep away from children and pets. Do not exceed the weight limit of the table to prevent tipping or collapse. Always use the table on a stable, level surface.

PRODUCT OVERVIEW

The Mainstays 6 Foot Centerfold Folding Table is designed for versatility and convenience. It features a heavy-duty steel frame and double-sided metal support rails for stability. The durable, waterproof plastic top simplifies cleaning, making it suitable for both indoor and outdoor use. Its centerfold design and tuck-away legs allow for compact storage and easy transport.

OPERATING INSTRUCTIONS (FOLDING FOR STORAGE)

1. **Clear the Table:** Remove all items from the table surface.
2. **Fold the Legs:** Carefully flip the table upside down. Disengage the leg locking mechanisms and fold each leg assembly inwards towards the center of the table. Ensure the legs are fully tucked away.
3. **Fold the Table in Half:** Locate the center hinge. Fold the table in half, bringing the two halves together.
4. **Secure the Latch:** Engage the latch to secure the folded table halves, preventing them from opening during transport or storage.
5. **Transport:** Use the integrated carrying handle for easy transport.

MAINTENANCE

- **Cleaning:** Wipe the plastic tabletop and steel frame with a damp cloth and mild soap. Avoid abrasive cleaners that may damage the surface.
- **Storage:** Store the folded table in a dry, cool place away from direct sunlight and extreme temperatures to prolong its lifespan.
- **Inspection:** Periodically inspect the table for any loose parts, damaged hinges, or worn leg caps. Tighten or replace components as necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Table is unstable or wobbly.	Legs not fully extended or locked; uneven surface.	Ensure all leg locking mechanisms are engaged. Move the table to a flat, level surface.
Table does not fold completely.	Obstruction or legs not fully tucked.	Check for any objects preventing the fold. Ensure legs are fully folded and tucked into their designated slots.
Difficulty with carrying handle or latch.	Latch mechanism may be stiff or misaligned.	Apply gentle pressure. If persistent, inspect for damage. Do not force.
