## 3. PACKAGE CONTENTS

Please check the box contents upon unboxing to ensure all items are present:

- Edifier G2000 Speakers (2 units)
- Power Adapter
- USB Cable
- 3.5mm AUX Cable
- User Manual

## 4. SETUP GUIDE

- Place Speakers:** Position the left and right speakers on your desktop or desired surface. Ensure they are placed at an optimal distance for stereo sound.
- Connect Power:** Plug the power adapter into the DC IN port on the back of the main speaker (usually the right speaker). Connect the adapter to a power outlet.
- Connect Speakers:** Connect the left speaker to the right speaker using the integrated cable.
- Select Input Mode:** Press the input mode button on the main speaker to cycle through available input options: Bluetooth, USB, or AUX. The indicator light will change to reflect the selected mode.
- Connect Audio Source:**
  - For USB:** Connect the provided USB cable from your computer's USB port to the USB input on the speaker.
  - For AUX:** Connect the provided 3.5mm AUX cable from your audio device's headphone jack or line-out port to the AUX IN port on the speaker.
  - For Bluetooth:** Select Bluetooth mode on the speaker. On your audio device, search for
