Sluban M38-B0532

Sluban M38-B0532 Summer House Building Block Set

Instruction Manual

1. Product Overview

The Sluban M38-B0532 Summer House is a creative building block set designed for imaginative play. This set allows you to construct a detailed summer house model, providing hours of entertainment and fostering building skills. It consists of 291 high-quality pieces, compatible with other major building block brands.

Key Features:

- Contains 291 building pieces.
- Made from high-quality, durable materials.
- Certified with CE, ROHS, and ISO 9001:2008 standards, ensuring safety and quality.
- Designed to enhance building skills and imaginative play.

2. Safety Information

Please read all safety information before assembly and use of this product.

- **Choking Hazard:** This set contains small parts and is not suitable for children under 36 months (3 years) due to potential choking hazards.
- **Recommended Age:** The manufacturer recommends this product for ages 36 months to 6 years (3-6 years old). Adult supervision is recommended for younger children during assembly.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put building blocks in the mouth.

3. Package Contents

Your Sluban M38-B0532 Summer House set includes:

- 291 assorted building block pieces.
- 1 detailed instruction manual for assembly.

4. Assembly Instructions (Setup)

Follow these steps to assemble your Sluban Summer House:

1. **Unpack:** Carefully open the packaging and lay out all the building block pieces. It is recommended to sort pieces by color or type to facilitate assembly.
2. **Consult Manual:** Refer to the included detailed instruction manual. Each step is illustrated to guide you through the construction process.
3. **Follow Steps:** Assemble the model by following the step-by-step diagrams provided in the manual. Ensure each piece is securely connected.
4. **Verify:** After completing each section, double-check that all pieces are correctly placed according to the instructions.

Figure 3: Interior details of the Sluban Summer House, showcasing different rooms and figures.

5. Operating (Play)

Once assembled, the Sluban Summer House is ready for imaginative play. Encourage children to create stories and scenarios with the house and any accompanying figures. The modular nature of building blocks allows for creative modifications and integration with other compatible sets.

- Use the house as a setting for role-playing games.
- Explore different arrangements of the included figures and accessories.
- Combine with other Sluban sets or compatible building blocks for expanded play possibilities.

6. Maintenance

To ensure the longevity of your Sluban Summer House building block set, follow these maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners. For deeper cleaning, blocks can be gently washed with mild soap and water, then air-dried thoroughly.
- **Storage:** Store the building blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Handling:** Avoid excessive force when connecting or disconnecting blocks to prevent damage.

7. Troubleshooting

Most issues with building block sets are minor and easily resolved.

- **Missing Pieces:** If you believe a piece is missing, carefully re-check the packaging and the assembly area. If a piece is genuinely missing, contact Sluban customer support (see Section 9).
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. If blocks are consistently difficult to connect, check for any deformities or debris.
- **Loose Connections:** If blocks feel loose, ensure they are fully pressed together. Over time, some wear may occur, but this is generally minimal with quality blocks.

8. Specifications

Feature	Detail
Brand	Sluban
Model Number	M38-B0532
Model Name	Summer House
Number of Pieces	291
Material	Plastic
Color	Pink, Purple, White
