Samsonite 49539 1776 SILVER

Samsonite S'Cure Spinner Luggage - Small (55 cm - 34 L) Instruction Manual

1. PRODUCT OVERVIEW

The Samsonite S'Cure Spinner is a lightweight and durable luggage solution, crafted from revolutionary Flowlite polypropylene material. This design allows for extremely thin shells without compromising strength, ensuring your belongings are protected.

Key Features:

- **Dimensions:** 40 x 20 x 55 cm (15.75 x 7.87 x 21.65 inches) - suitable for hand luggage.
- **Capacity:** 34 Liters.
- **Weight:** 2.90 kg (6.38 pounds).
- **Construction:** Made in Europe with Flowlite polypropylene for lightweight durability.
- **Security:** Three-point locking system for enhanced security, featuring a seal to limit moisture penetration.
- **Mobility:** Equipped with smooth-rolling double wheels and a dual-tube wheel handle.
- **Interior:** Features lowered M ribbons, a zipped divider pad, and a large side pocket for organized packing.

2. SETUP: SETTING YOUR COMBINATION LOCK

Your Samsonite S'Cure Spinner luggage comes with an integrated combination lock. Follow these steps to set your personalized combination:

1. **Open the Lock:** Ensure the lock is in its open position, typically set to '0-0-0' from the factory.
2. **Locate the Red Lever:** Inside the lock mechanism, you will find a small red lever. Push this lever down firmly.
3. **Set Your Combination:** While the red lever is pushed down, rotate the number dials to your desired three-digit combination. Choose a memorable number.
4. **Secure the Lever:** Push the red lever back to its original position.
5. **Test the Combination:** Scramble the dials and then enter your new combination to ensure it opens correctly.

For a visual guide, please watch the official instruction video below:

3. OPERATING YOUR LUGGAGE

3.1. Using the Wheels and Handle

The Samsonite S'Cure Spinner is designed for effortless maneuverability. Its four smooth-rolling double wheels allow for 360-degree rotation, making it easy to navigate through airports and other environments. The dual-tube retractable handle can be adjusted to multiple heights for comfortable pulling or pushing.

3.2. Internal Organization

The interior of your S'Cure Spinner is designed for efficient packing. One side features lowered M ribbons to secure your clothes and prevent shifting during transit. The other side includes a zipped divider pad and a large side pocket, ideal for separating items or storing smaller accessories.

4. MAINTENANCE

4.1. Cleaning Your Luggage

To clean the exterior of your S'Cure Spinner, use a soft cloth dampened with mild soap and water. Avoid abrasive cleaners or solvents, as these can damage the polypropylene shell. For the interior, wipe with a damp cloth and allow to air dry completely before closing.

4.2. Wheel and Handle Care

Periodically check the wheels for any debris or hair that might impede their smooth operation. Clean them gently if necessary. Ensure the retractable handle extends and retracts smoothly. Avoid forcing the handle if it

encounters resistance.

5. TROUBLESHOOTING

5.1. Lock Not Opening

If your combination lock is not opening, double-check that you have entered the correct three-digit code. If you have forgotten your combination, you may need to contact Samsonite customer service for assistance, as there is no universal reset code.

5.2. Wheels Sticking or Not Rolling Smoothly

Inspect the wheels for any trapped debris, such as lint, hair, or small stones. Carefully remove any obstructions. If the issue persists, the wheels may require professional servicing or replacement.

6. SPECIFICATIONS

Feature	Detail
Product Dimensions	15.75 x 7.87 x 21.65 inches (40 x 20 x 55 cm)
Item Weight	6.38 pounds (2.9 Kilograms)
