› Graco Ready2Grow LX Stroller | 12 Riding Options | Accepts 2 Graco SnugRide Infant Car Seats, Glacier User Manual

Graco 1934624

Graco Ready2Grow LX Stroller User Manual

Model: 1934624 | Brand: Graco

INTRODUCTION

The Graco Ready2Grow LX Stroller is designed for versatility, offering 12 riding options to accommodate children from infancy to youth. This stroller is engineered to accept two Graco SnugRide Click Connect Infant Car Seats, providing convenience for families with multiple young children. It features a standing platform and a bench seat for older children, alongside a removable Face Time rear seat for enhanced interaction with your baby. This product is intended for use at walking speed only and is not suitable for jogging, skating, or similar activities.

SAFETY INFORMATION

Always read and understand all instructions before using the stroller. Failure to follow these instructions could result in serious injury or death. Keep this manual for future reference.

- Ensure all locking mechanisms are engaged before placing a child in the stroller.
- Always use the safety harness system.
- Do not overload the stroller or storage basket.
- Never leave children unattended in the stroller.
- Avoid using the stroller on stairs or escalators.
- This stroller is designed for walking speed only. Do not use for jogging, skating, or similar activities.

WHAT'S IN THE BOX

Your Graco Ready2Grow LX Stroller package includes the following components:

- Removable Face Time rear seat
- Front swivel wheels
- Large storage basket
- Snack trays
- Front seat
- Bench seat

- Standing platform
- Removable child's tray
- Adult tray with pivoting cup holder

SETUP

Initial assembly of your Graco Ready2Grow LX Stroller is required. Follow the detailed instructions provided in the separate assembly guide for proper setup. Ensure all parts are securely attached and locked into place before first use. This typically involves attaching wheels, seats, and trays to the main frame.

OPERATING INSTRUCTIONS

Riding Options

The Graco Ready2Grow LX Stroller offers 12 versatile riding options to accommodate children of different ages and needs. These options allow for various configurations, including seating for two infants in car seats, one infant and one toddler, or one toddler and one older child standing on the platform.

Car Seat Compatibility

This stroller is designed to accept two Graco SnugRide Click Connect Infant Car Seats. To attach a car seat, align the car seat with the designated click connect receivers on the stroller frame and press down firmly until you hear a click, indicating it is securely latched. Ensure both car seats are properly installed before use.

Front Seat and Recline

The front seat offers multiple recline positions for your child's comfort, including a flat recline suitable for infants. Adjust the recline by using the lever located at the back of the seat.

Bench Seat and Standing Platform

For older children, the stroller provides a padded bench seat and a standing platform at the rear. These options allow your older child to sit or stand comfortably while on the go.

Face Time Rear Seat

The removable Face Time rear seat allows for increased interaction between the parent and the child. This seat can be positioned to face the parent, fostering connection during walks.

Folding the Stroller

The stroller features a convenient one-hand fold mechanism with an automatic lock for easy storage and transport. Consult the assembly guide for specific folding instructions.

Parent and Child Trays

The stroller includes a removable child's tray with cup/bottle holders and an adult tray with a pivoting cup holder for convenience.

MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your stroller.

- **Cleaning Fabric:** Removable seat cushions can be machine-washed in cold water on a delicate cycle. Line dry. Do not use bleach.
- **Cleaning Frame:** To clean the stroller frame, use only household soap and warm water. Never use bleach.
- **Wheel Maintenance:** If wheels squeak, apply a light oil to the moving parts.

TROUBLESHOOTING

If you encounter any issues with your Graco Ready2Grow LX Stroller, please refer to the following common troubleshooting tips:

- **Stroller not folding smoothly:** Ensure all seats and trays are in their correct positions and that no items are obstructing the folding mechanism.
- **Wheels not turning freely:** Check for debris or obstructions around the wheels. Clean and lubricate as per maintenance instructions.
- **Car seat not clicking in:** Verify that the car seat is correctly aligned with the Click Connect receivers. Apply firm, even pressure until it locks into place. Ensure fabric siding is folded down if it obstructs access to the click-in holes.
- **General issues:** Always double-check that all components are correctly assembled and secured according to the setup instructions.

For persistent issues, please contact Graco customer support.
