GAMEPLAY

On Your Turn

Players take turns in a clockwise direction. To begin your turn:

1. Roll both dice.
2. Move your token clockwise around the board the number of spaces indicated on the dice.
3. Perform the action corresponding to the space your token landed on.

Properties

The game board features various properties representing dinosaurs and attractions from the Jurassic World films. When you land on an unowned property, you may buy it for the price indicated on the board. If you choose not to buy it, the property is then auctioned off to the highest bidder.

If you land on an owned property, you must pay rent to the owner. The rent increases if the owner has a complete color set of properties, and further increases with Enclosures (houses) and Visitor Centers (hotels).
