3. Operating Instructions

Creating jewelry with B.eauty Pops is simple and intuitive. The beads are designed to snap together easily, allowing for countless creative designs.

3.1 How to Create Jewelry

1. **Select Your Beads:** Choose from the wide variety of shapes, textures, and colors available in your kit.
2. **Connect Beads:** Each bead has a unique connector. Align the male and female ends of two beads and gently push them together until you hear a 'snap' or feel them securely connected.
3. **Form Necklaces and Bracelets:** Continue connecting beads in your desired pattern and length. Use the provided bracelet bases by snapping beads onto them to create custom bracelets.
4. **Design Rings:** Snap smaller beads or decorative pieces onto the ring bases to create unique rings.
5. **Experiment:** The kit encourages experimentation. Refer to the included idea booklet for inspiration and new design concepts.

4. Maintenance

4.1 Cleaning

To clean the B.eauty Pops beads and accessories, wipe them with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic materials or colors.

4.2 Storage

After use, store all beads, rings, and bracelets in the provided reusable storage jar. This helps keep the components organized and prevents loss.

5. Troubleshooting

5.1 Beads are difficult to connect or disconnect

- Ensure the male and female ends are correctly aligned before pushing.
- Some beads may require a bit more force to connect or disconnect, especially when new. Adult assistance may be

helpful for younger children.

- Avoid forcing beads if they are misaligned, as this could cause damage.
