Introduction

This manual provides essential information for the safe and effective use, assembly, and maintenance of your LIFETIME 60112 6 ft (1.83 m) Picnic Table. Please read all instructions carefully before setup and operation to ensure optimal performance and longevity of your product.

Safety Information

WARNING: Always use the table for its intended purposes, ensuring proper setup and appropriate

weight distribution. Failure to follow these guidelines may result in injury or product damage.

- Ensure all bolts are snug during assembly; do not overtighten.
- Verify the table is stable on a flat, level surface before use.
- Do not stand on the table or benches.
- Keep children supervised when around the picnic table.

Setup and Assembly

The LIFETIME 60112 Picnic Table is designed for straightforward assembly. A screwdriver is recommended for tightening fasteners.

Key Assembly Points:

1. Unpack all components and verify against the parts list (not provided in this manual, refer to product packaging).
2. Attach the frame components to the high-density polyethylene tabletop.
3. Secure all connections with the provided hardware. Ensure bolts are tightened securely but avoid overtightening to prevent damage.
4. Confirm the stability of the table and benches before initial use.

The table features a folding frame for convenient storage. To fold, locate the folding mechanisms on the frame and follow the instructions provided with your product for safe collapsing.

Operating Instructions

Your LIFETIME 60112 Picnic Table is ideal for outdoor dining and gathering, comfortably seating up to eight individuals.

- **Seating Capacity:** Designed to comfortably seat eight adults.
- **Umbrella Hole:** The tabletop includes a central umbrella hole and cap, allowing for the addition of a standard patio umbrella for shade (umbrella not included).
- **Portability:** The table features a folding design for easy transport and storage when not in use.

Maintenance

The LIFETIME 60112 Picnic Table is constructed with high-density polyethylene and an alloy steel frame, offering superior strength and durability. It is designed to resist cracking, chipping, rusting, or peeling.

- **Cleaning:** The stain-resistant tabletop is easy to clean. Simply wipe with a dry cloth or use a garden hose to spray it down for a more thorough cleaning.
- **Storage:** For prolonged product life, especially during harsh weather conditions, store the table in a folded, protected area.
- **Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten as necessary.

Troubleshooting

If you encounter any issues with your LIFETIME 60112 Picnic Table, please consider the following:

- **Instability:** Check all leg connections and ensure they are securely fastened. Verify the table is on a flat, even surface.
- **Folding Difficulty:** Ensure no obstructions are present in the folding mechanism. Apply light lubricant to moving parts if stiffness occurs.
- **General Wear:** While durable, extreme conditions can affect appearance. Regular cleaning and proper storage are key to maintaining its condition.
