Kalamera KRC-52SZF 50-Bottle Single Zone Wine Refrigerator User Manual

Model: KRC-52SZF | Brand: Kalamera

INTRODUCTION

This manual provides detailed instructions for the safe and efficient operation, installation, and maintenance of your Kalamera KRC-52SZF 4.2 Cu.ft 50 Bottle Single Zone Wine Refrigerator. This freestanding unit is designed with premium black and silver stainless steel and a tempered dual pane glass front, ideal for showcasing your wine collection while maintaining optimal chilling temperatures.

KEY FEATURES

- Freestanding Design:** Built from premium black and silver stainless steel with tempered dual pane glass front to highlight your wine collection in any room of your home.
- Quiet Compressor:** Advanced cooling technology keeps compressor quiet without disturbing wine sediments.
- Product Dimensions:** 19.5" W x 33.1" H x 22.8" D || Inner Capacity: 4.2 Cu.Ft Wine Storage Space.
- 50 Bottle Capacity:** 7 beech wood racks hold up to 50 standard 750ml Bordeaux bottles, allowing you to stock your favorite wine vintages. Shelves can be removed for larger bottles.
- Cools Evenly:** Interior fan and slat-style shelves allow even airflow around all bottles for perfectly chilled wine every time!
- Single Zone with Touch Control:** Blue LED Display shows temperature from 40°F-66°F and can be easily adjusted with up/down arrows.

SETUP AND INSTALLATION

Upon receiving your wine refrigerator, please follow these steps for proper setup:

- Unboxing:** The unit arrives in a large, well-packed box. Carefully unbox the unit, removing all

packaging materials. Be prepared for some Styrofoam residue.

2. **Placement:** Position the refrigerator on a flat, stable surface. Ensure adequate clearance around the unit for proper ventilation.
3. **Initial Standby:** Allow the refrigerator to stand upright for at least 24 hours before plugging it in. This allows the compressor oils to settle.
4. **Handle Attachment:** Attach the stainless steel door handle using the provided hardware. This is a simple process.
5. **Second Standby:** After plugging in the unit, allow it to run for another 24 hours to reach its stable operating temperature before loading bottles.

OPERATING INSTRUCTIONS

The Kalamera KRC-52SZF features an intuitive touch control panel for easy operation.

- **Temperature Control:** Use the up and down arrows on the control panel to adjust the desired temperature between 40°F and 66°F. The blue LED display will show the current set temperature.
- **Interior Light:** The unit includes a blue LED interior light. You can turn this light on or off using the dedicated light button on the control panel.
- **Lock Feature:** For security, the unit comes with a key to lock the door, preventing unauthorized access to your wine collection.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your wine refrigerator.

- **Cleaning:** Clean the interior and exterior surfaces with a soft cloth and mild detergent. Avoid abrasive cleaners.
- **Shelf Removal:** The beech wood shelves are removable. To accommodate larger bottles or for cleaning, gently pull the shelves out. Ensure they are reinserted correctly for stability.
- **Defrosting:** The unit features an automatic defrost system, minimizing the need for manual defrosting.

Loading sample

Loading capacity is calculated with standard Bordeaux 750mL bottles with diameter of 2.75".

Removing shelves can provide room for larger bottles. Loading capacity will decrease when larger bottles are loaded.

Diagram illustrating bottle loading capacity and shelf removal for larger bottles.

TROUBLESHOOTING

If you encounter issues with your wine refrigerator, consider the following common solutions:

- **Temperature Inconsistency:** If the unit is not maintaining the set temperature, ensure it is placed in a suitable environment (e.g., a cool cellar, away from direct heat sources). Verify the door seal is intact and not compromised. Allow sufficient time for the unit to stabilize after initial setup or temperature adjustments.
- **Unusual Noise:** The unit features a quiet compressor. If unusual noises occur, check for proper leveling of the unit and ensure no items inside are vibrating against the walls or shelves.
- **Insufficient Cooling:** Ensure adequate ventilation around the unit, especially if it's a freestanding model. Avoid placing it in direct sunlight or near heat sources. Confirm the power supply is stable and the unit is not overloaded with bottles.

SPECIFICATIONS

Feature	Detail
Brand Name	Kalamera
Model Info	KRC-52SZF
Item Weight	68 pounds

Feature	Detail
Product Dimensions	22.8 x 19.5 x 33.1 inches
Capacity	118.29 Liters
Annual Energy Consumption	261 Kilowatt Hours
Bottle Count	50
Installation Type	Freestanding
Form Factor	Wine Cellar
Special Features	Cooling Control
Color	Black
Voltage	110 Volts (AC)
Wattage	90 watts
Racks	7
Defrost System	Automatic
Door Hinges	Right
Door Material Type	Glass
Shelf Type	Wood
Included Components	handle, shelves
