ABOUT THE PRODUCT

The LEGO Dimensions Starter Pack for Xbox 360 offers an immersive building and gaming adventure. It combines physical LEGO minifigures and bricks with interactive video game play. Players journey through unexpected worlds, teaming up with various characters and using their unique vehicles and gadgets to solve puzzles and overcome challenges. The Starter Pack includes everything necessary to begin the experience, such as minifigure heroes, the LEGO Gateway, and the LEGO Toy Pad. This product allows for creative play where different characters from diverse franchises can interact within one LEGO video game, breaking traditional rules of play. Expand your collection with additional level, team, and fun packs to unlock new content and experiences.

SETUP GUIDE

- 1. Unpack Contents:** Carefully remove all components from the packaging, including the LEGO Dimensions game disc, LEGO Toy Pad, LEGO Gateway bricks, and character minifigures.
- 2. Connect the LEGO Toy Pad:**
 - Locate the USB cable attached to the LEGO Toy Pad.
 - Plug the USB cable into an available USB port on your Xbox 360 console.
 - Ensure the Toy Pad is placed on a flat, stable surface near your console.
- 3. Assemble the LEGO Gateway:** Follow the in-game instructions to build the physical LEGO Gateway structure using the provided bricks. This structure will be placed on the LEGO Toy Pad.
- 4. Insert Game Disc:** Insert the LEGO Dimensions game disc into your Xbox 360 console's disc drive.
- 5. Install Game Data:** Follow any on-screen prompts to install necessary game data to your Xbox 360 hard drive. This may take some time.
- 6. Place Minifigures:** Once the game starts, place the included minifigures (Batman, Gandalf, Wyldstyle) onto the designated spots on the LEGO Toy Pad.

OPERATING INSTRUCTIONS

Gameplay Basics:

- **Character Placement:** Place LEGO minifigures on the Toy Pad to bring them into the game. Each character has unique abilities.
- **Vehicle and Gadget Use:** Place LEGO vehicles and gadgets on the Toy Pad to use them in-game. These can often be rebuilt into different forms to solve puzzles.
- **Toy Pad Zones:** The Toy Pad has different colored zones. Characters and vehicles may need to be moved between these zones to activate special abilities or solve puzzles. Pay attention to in-game prompts.
- **Keystones:** Throughout the game, you will encounter Keystones that activate special powers on the Toy Pad. Follow the on-screen instructions to use them effectively.
- **Collecting Studs:** Collect LEGO studs to earn currency for upgrades and purchases within the game.

In-Game Building:

The game features interactive building sequences. When prompted, follow the on-screen instructions to build or rebuild physical LEGO models. These models will then appear in the game world, often unlocking new paths or abilities.
