Sluban M38-B0529 Supermarket Building Block Set Instruction Manual

Model: M38-B0529

1. Introduction

This manual provides instructions for the assembly, operation, and maintenance of your Sluban M38-B0529 Supermarket building block set. This set allows for the construction of a detailed supermarket model, designed to enhance building skills and encourage imaginative play. The set contains 289 pieces and is fully compatible with other major building block brands.

2. Safety Information

- **Warning:** Contains small pieces. Not suitable for children under 3 years of age due to choking hazards.
- Recommended age for assembly and play is 6 years and up.
- All components are made from non-toxic plastic materials.
- Adult supervision is recommended during assembly and play for younger children.

3. Setup and Assembly

Follow the step-by-step instructions provided in the included instruction booklet to assemble your Sluban M38-B0529 Supermarket. Ensure all pieces are firmly connected to create a stable structure.

3.1 Unpacking the Set

- Carefully open the product box and remove all plastic bags containing the building blocks.
- Verify that all 289 pieces, including figures and accessories, are present by comparing them with the parts list in the instruction booklet.
- The set includes a cardboard baseplate to simulate the environment.

5. Maintenance

Proper care will ensure the longevity of your building block set.

- **Cleaning:** To clean the blocks, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the building blocks in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or warping of the plastic.
- **Temperature:** Avoid exposing the blocks to extreme temperatures, both hot and cold, to prevent material degradation.

6. Troubleshooting

If you encounter any issues with your Sluban M38-B0529 set, refer to the following common solutions:

- **Missing Pieces:** Double-check all packaging and the surrounding area. If a piece is genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Assembling:** Review the instruction booklet carefully. Ensure that you are using the correct pieces for each step and that they are oriented correctly. Sometimes, a small piece can be mistaken for another.
- **Loose Connections:** Ensure that each block is pressed firmly into place. Some connections may require a bit more pressure to secure properly.
