Setup and Assembly Instructions

This Furinno TV stand is designed for quick and easy assembly without the need for any tools. It is recommended for one person and can typically be assembled within 15 minutes.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Feet to Base Panel:** Take the bottom shelf panel. Screw the plastic feet into the designated

holes on the underside of this panel by twisting them clockwise until secure.

3. **Assemble First Tier:** Place the plastic support tubes into the holes on the top side of the base panel. Ensure they are firmly seated.
4. **Place Middle Shelf:** Carefully align the middle shelf panel over the top of the plastic support tubes and press down firmly until it sits securely.
5. **Assemble Second Tier:** Insert another set of plastic support tubes into the holes on the top side of the middle shelf panel.
6. **Place Top Shelf:** Align the top shelf panel over the second set of plastic support tubes and press down firmly to secure it.
7. **Final Check:** Ensure all connections are tight and the stand is stable before placing any items on it.

Note: There is a possible difference of <0.2" to all measurements.

Operating Instructions

Once assembled, your Furinno Turn-S-Tube TV Stand is ready for use. It provides three tiers for organizing your entertainment devices and media.

- **TV Placement:** Place your television on the top shelf. This stand is suitable for flat-screen panels up to 55 inches. Ensure the TV's weight does not exceed 30 lbs (13.6 kg).
- **Device Storage:** Use the two lower shelves to store media players, game consoles, soundbars, or other audio/video accessories. Each shelf can hold up to 30 lbs (13.6 kg).
- **Cable Management:** Utilize the open design for easy access to cables and to help with ventilation for electronic devices.
- **Decorative Items:** The shelves can also be used for decorative items, books, or other personal belongings, ensuring not to exceed the weight limits.

Maintenance and Care

To ensure the longevity and appearance of your TV stand, follow these simple care instructions:

- **Cleaning:** Wipe clean with a clean, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Inspection:** Periodically check all connections to ensure they remain tight and secure.

Troubleshooting

If you encounter any issues with your Furinno TV stand, please refer to the following common solutions:

- **Instability:** If the stand feels wobbly, ensure all plastic support tubes are fully inserted and all feet are securely tightened. Verify the stand is on a level surface.
- **Missing/Damaged Parts:** If any parts were missing or damaged upon arrival, do not attempt to assemble the unit. Contact Furinno customer support for replacement parts.
- **Difficulty Assembling:** Review the assembly instructions carefully. The design is tool-free; excessive force should not be required. Ensure components are oriented correctly.
