

Samsung UN40EH5300

Samsung UN40EH5300 40-Inch 1080p 60Hz LED HDTV

INSTRUCTION MANUAL

Model: UN40EH5300

Introduction

This manual provides essential information for the setup, operation, maintenance, and troubleshooting of your Samsung UN40EH5300 40-Inch 1080p 60Hz LED HDTV. Please read these instructions carefully before using your television to ensure proper and safe operation.

The Samsung UN40EH5300 offers a 40-inch 1080p display with a 60Hz refresh rate, providing clear picture quality. It features Smart Content, a Full Web Browser with built-in Wi-Fi, and AllShare Play for streaming content from other devices.

Setup

Follow these steps to set up your new Samsung LED HDTV.

1. **Unpacking:** Carefully remove the TV and its components from the packaging. Ensure all items listed in the "What's in the Box" section are present.
2. **Stand Assembly:** Attach the included stand to the television. Refer to the quick setup guide for detailed instructions on securing the stand.
3. **Placement:** Place the TV on a stable, level surface or mount it on a wall using a compatible VESA wall mount (sold separately). Ensure adequate ventilation around the TV.
4. **Power Connection:** Connect the power cord to the TV's power input, then plug it into a wall outlet.
5. **Connecting External Devices:**
 - **HDMI:** For high-definition devices like Blu-ray players, game consoles, or cable/satellite boxes, use HDMI cables.

- **Antenna/Cable:** Connect your antenna or cable TV coaxial cable to the ANT IN port.
- **USB:** Use the USB ports for connecting USB storage devices.

6. **Initial Setup:** Power on the TV. The initial setup wizard will guide you through language selection, channel scanning, and network connection (Wi-Fi or Ethernet).

Federal law prohibits removal of this label before consumer purchase.

Operating Instructions

Learn how to use the various features of your Samsung Smart TV.

- **Basic TV Functions:** Use the remote control to power on/off, adjust volume, change channels, and select input sources.
- **Smart Hub:** Access the Smart Hub by pressing the Smart Hub button on your remote. This platform provides access to a variety of apps, streaming services, and a full web browser.
- **Built-in Wi-Fi:** Your TV features built-in Wi-Fi for easy connection to your home network, enabling access to online content and Smart Hub features.
- **AllShare Play:** Stream content (photos, videos, music) from compatible devices like smartphones, tablets, or computers directly to your TV using AllShare Play.
- **Skype Compatibility:** The TV is compatible with Skype for video calls. A separate camera kit is required and sold separately.
- **Full Web Browser:** Navigate the internet directly from your TV using the integrated web browser.

Maintenance

Proper care ensures the longevity and performance of your television.

- **Cleaning the Screen:** Gently wipe the screen with a soft, dry microfiber cloth. For stubborn marks, slightly dampen the cloth with water or a specialized screen cleaner (do not spray directly onto the screen).
- **Cleaning the Cabinet:** Use a soft, dry cloth to clean the TV's cabinet. Avoid using abrasive cleaners or solvents.
- **Software Updates:** Periodically check for software updates through the TV's settings menu to ensure optimal performance and access to the latest features.
- **Ventilation:** Ensure the ventilation openings on the TV are not blocked to prevent overheating.

Troubleshooting

If you encounter issues with your TV, refer to the following common solutions.

- **No Power:**
 - Check if the power cord is securely plugged into both the TV and the wall outlet.
 - Ensure the wall outlet is functioning by plugging in another device.
 - Try pressing the power button on the TV itself, not just the remote.
- **No Picture/Sound:**
 - Verify the correct input source is selected (e.g., HDMI 1, TV).
 - Check all cable connections between the TV and external devices.
 - Ensure the volume is not muted or set to zero.
- **Network Connection Issues:**
 - Restart your Wi-Fi router and modem.
 - Go to the TV's network settings and re-enter your Wi-Fi password.
 - If using a wired connection, ensure the Ethernet cable is securely connected.
- **Remote Control Not Working:**
 - Replace the batteries in the remote control.
 - Ensure there are no obstructions between the remote and the TV's IR sensor.
