OPERATING FEATURES

The Destiny's Bounty model is equipped with several interactive features designed for dynamic play:

- **Retractable Handle:** For easy handling and simulated flight.
- **Adjustable Sails:** Four lever-operated sails can be adjusted for different flight or sailing modes.
- **Triple-Stud-Shooting Cannons:** Two cannons with ammunition for engaging targets.
- **Nya's Foldout Workshop:** A detachable roof element reveals Nya's workshop with a hidden airbike and assorted tools.
- **Rotating Dual Flick Harpoon Shooter:** Features an engine transformation function.
- **Detailed Interior:** Includes storage compartments, an Aeroblade, and decorative elements.

Morro's Ghost Dragon is fully posable with an opening jaw, movable wings, legs, and tail, and sharp talons. The set also includes 9 minifigures: Lloyd, Nya, Cole, Battle Wu, Morro, Blade Master Bansha, Bow Master Soul Archer, Scythe Master Ghoultar, and Ghost Ninja Spyder, along with 2 attachable Skreemers.

MAINTENANCE

To ensure the longevity of your LEGO set, follow these maintenance guidelines:

- **Cleaning:** Use a soft cloth dampened with warm water and a mild detergent to gently clean LEGO bricks. Rinse thoroughly with clear water and air dry completely. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight to prevent discoloration and material degradation. Keep small pieces in designated containers to avoid loss.
- **Dusting:** Regularly dust the assembled model with a soft brush or compressed air to maintain its appearance.

TROUBLESHOOTING

Should you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** If you find any pieces missing, please contact LEGO Customer Service directly through their official website. They typically provide replacement parts.
- **Assembly Difficulty:** Double-check the instruction steps carefully. Sometimes a small error in an earlier step can affect later assembly. Online building guides and fan communities can also offer assistance.
- **Parts Not Holding:** Ensure that bricks are pressed firmly together. If a connection feels loose, verify that the correct pieces are being used as per the instructions.
