Inter Link Multifunction Single Bed with Storage - 90x200 cm - White - Instruction Manual

Model: 20900160

INTRODUCTION

Thank you for choosing the Inter Link Multifunction Single Bed with Storage. This bed is designed to provide both comfort and practical storage solutions for your bedroom. Featuring a robust solid pine wood construction with a white painted finish, it includes integrated storage, drawers, shelves, and a movable bedside table. This manual provides essential information for safe assembly, proper use, and maintenance of your new bed.

SAFETY INFORMATION

Please read all safety instructions carefully before assembling and using the bed. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly:** Always follow the provided assembly instructions precisely. Ensure all components are securely fastened before use.
- **Stability:** Place the bed on a flat, stable surface to minimize the risk of tipping.
- **Intended Use:** Use the bed only for its intended purpose. Do not overload the bed or its storage compartments.
- **Children and Pets:** Keep small children and pets away from the assembly area to prevent accidents.
- **Weight Limit:** Adhere to any specified weight limits for the bed and its components.

PACKAGE CONTENTS

Your Inter Link Multifunction Single Bed is shipped in two separate boxes, which may arrive at different times (up to 72 hours apart). Please ensure you have received all packages before beginning assembly.

The package includes the following main components:

- 1 x Inter Link Multifunction Single Bed frame (solid pine, white painted)
- 1 x Slatted base
- 2 x Small drawers
- 1 x Large drawer

- 2 x Storage shelves
- 1 x Movable bedside table
- All necessary hardware (screws, dowels, etc.)
- Assembly tools (basic essential tools)

Total number of main pieces: 8

SETUP (ASSEMBLY)

Assembly of the Inter Link Multifunction Single Bed is required. We recommend having two people for assembly, as some steps may be easier with assistance. Please allow sufficient time for the assembly process.

1. **Unpack and Inspect:** Carefully unpack all components and inspect them for any damage or missing parts.
2. **Sort Hardware:** The hardware (screws, dowels, etc.) may be mixed in a single bag. Sort all hardware according to the assembly instructions to ensure you have the correct pieces for each step.
3. **Identify Parts:** The wooden parts are not numbered. Refer to the diagrams in the assembly instructions to identify each piece before starting.
4. **Follow Instructions:** Assemble the bed frame, drawers, shelves, and bedside table step-by-step as detailed in the included assembly manual. Pay close attention to the diagrams.
5. **Tools:** While essential tools are included, a power drill may be beneficial for pre-drilling holes, as some holes might not be fully pre-drilled. Use wood glue for dowel connections as indicated in the instructions for added stability.
6. **Slatted Base:** Install the slatted base securely into the bed frame.
7. **Final Check:** Once assembled, ensure all screws and connections are tightened securely. Do not overtighten to avoid damaging the wood.

OPERATING INSTRUCTIONS

The Inter Link Multifunction Single Bed is designed for practical daily use, offering both a comfortable sleeping surface and versatile storage.

- **Sleeping Area:** The bed accommodates a 90x200 cm mattress (not included). Ensure the mattress fits properly on the slatted base.

- **Storage Drawers:** Utilize the two small drawers and one large drawer for storing clothing, linens, or other items. Pull them out gently using the integrated handles.

Figure 2: Detail of an open storage drawer.

- **Storage Niches:** The two open shelves provide convenient access for books, decorative items, or other essentials.
- **Movable Bedside Table:** The integrated bedside table is designed to be movable, allowing you to position it as needed for convenience. It features two additional drawers for personal items.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Inter Link bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the white painted finish and wood.
- **Dusting:** Regularly dust the bed with a dry, soft cloth.
- **Protection:** Protect the wood from direct sunlight, extreme temperatures, and humidity fluctuations to prevent warping or discoloration. Use coasters under drinks on the bedside table.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary, but do not overtighten.

TROUBLESHOOTING

If you encounter any issues with your Inter Link bed, refer to the following common solutions:

Problem	Possible Cause	Solution
Difficulty during assembly (e.g., unlabeled parts, mixed hardware, un-pre-drilled holes)	Common with self-assembly furniture; instructions may require careful interpretation.	Carefully sort all hardware before starting. Refer closely to the diagrams in the assembly manual. A power drill with appropriate bits may be helpful for creating pilot holes if needed. Patience is key.
Bed feels unstable or wobbly	Loose connections or incorrect assembly.	Review the assembly instructions and ensure all screws, bolts, and dowels are correctly inserted and tightened. Ensure the bed is on a level surface.
Drawers do not slide smoothly or get stuck	Incorrect runner installation, obstruction, or misalignment.	Check that the drawer runners are installed correctly and are free from debris. Ensure the drawers are not overloaded and are aligned properly within their compartments.
Missing or damaged parts upon delivery	Shipping error or manufacturing defect.	Do not proceed with assembly. Contact customer support immediately with your purchase details and a description of the issue.

SPECIFICATIONS

- **Brand:** Inter Link
- **Model Number:** 20900160
- **Color:** White
- **Material:** Solid Pine Wood
- **Finish Type:** Painted
- **Product Dimensions (L x W x H):** 209 x 96 x 48 cm
