Bose SoundLink Mini Bluetooth Speaker II User Manual

Model: 725192-1110

Brand: Bose

1. INTRODUCTION

This manual provides comprehensive instructions for the Bose SoundLink Mini Bluetooth Speaker II. Designed for portability and exceptional audio performance, this speaker delivers a full-range listening experience with deep bass, making it ideal for various environments.

2. PRODUCT OVERVIEW

The SoundLink Mini Bluetooth Speaker II is a compact, wireless speaker engineered to provide high-quality sound. Its durable design ensures reliability for everyday use.

Key Features:

- Big sound with deep bass for a full-range listening experience.
- Wireless and ultra-compact for portability.
- Built-in speakerphone for hands-free calls.
- Voice prompts guide through Bluetooth pairing.
- Lithium-ion battery provides up to 10 hours of playtime.

What's in the Box:

- Bose SoundLink Mini Bluetooth Speaker II
- Charging Cradle
- Wall Charger
- USB Cable

3. SETUP

Follow these steps to set up your SoundLink Mini Bluetooth Speaker II for first use.

1. **Charge the Speaker:** Place the speaker on the included charging cradle or connect the USB cable directly to the speaker and a wall charger. The battery indicator light will show charging status. A full charge provides up to 10 hours of playtime.

Figure 3.1: Speaker placed on the charging cradle.

2. **Power On:** Press the Power button () located on the top panel of the speaker. A voice prompt will indicate the battery level.
3. **Bluetooth Pairing:** Press the Bluetooth button () on the top panel. The Bluetooth indicator light will blink blue, and a voice prompt will guide you to connect to your device. On your device (smartphone, tablet, etc.), enable Bluetooth and select "Bose Mini II" from the list of available devices. Once connected, the voice prompt will confirm the connection, and the Bluetooth indicator will glow solid white.

4. OPERATING INSTRUCTIONS

Learn how to control your SoundLink Mini Bluetooth Speaker II.

4.1. Basic Controls

- **Power Button:** Press to turn the speaker on or off.
- **Volume Buttons:** Use the '+' and '-' buttons to adjust the volume.
- **Multi-function Button (•••):** This button controls playback and calls.
 - Press once to play/pause.
 - Press twice to skip forward.
 - Press three times to skip backward.

4.2. Making and Receiving Calls

The built-in speakerphone allows for hands-free communication.

- **Answer/End Call:** Press the Multi-function button (•••) once.
- **Decline Call:** Press and hold the Multi-function button (•••).
- **Switch to Handset:** During a call, press and hold the Multi-function button (•••) to transfer the call to your phone.

4.3. Auxiliary Input

For devices without Bluetooth, use the 3.5mm auxiliary input port located on the side of the speaker.

6. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your speaker, follow these care guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the speaker's surface. Avoid using liquids or abrasive cleaners.
- **Storage:** Store the speaker in a cool, dry place when not in use.
- **Durability:** The speaker is engineered for everyday use, but it is **not waterproof**. Avoid exposure to water or excessive moisture.

7. TROUBLESHOOTING

If you encounter issues with your speaker, refer to the following common solutions:

Problem	Solution
No power	Ensure the speaker is charged. Connect to the charging cradle or USB charger.
Cannot pair via Bluetooth	Ensure Bluetooth is enabled on your device. Press the Bluetooth button on the speaker to enter pairing mode. Move the speaker closer to your device (within 30 feet). Clear your device's Bluetooth list and try pairing again.
No sound	Check volume levels on both the speaker and your connected device. Ensure the correct input source (Bluetooth or AUX) is selected.
Audio distortion or buzzing	Reduce the volume. Move the speaker away from potential interference sources (e.g., Wi-Fi routers, other electronic devices).
