## SPORT-TEK ST370

# SPORT-TEK Men's CamoHex Tee Instruction Manual

Model: ST370 | Brand: SPORT-TEK

## INTRODUCTION

---

This manual provides essential information for the proper use and care of your SPORT-TEK Men's CamoHex Tee. Designed for active individuals, this tee combines performance features with a distinctive style, suitable for various athletic pursuits and casual wear.

## PRODUCT FEATURES

---

- **Material:** Constructed from 3.8-ounce, 100% polyester interlock fabric.
- **Moisture-Wicking:** Engineered to effectively wick away sweat, assisting in keeping the wearer dry and comfortable.
- **Design:** Features an all-over sublimated digital camo print for a distinct appearance.
- **Comfort:** Includes a tag-free label to minimize skin irritation.
- **Fit:** Designed with set-in sleeves to allow for unrestricted movement.
- **Durability:** Made with fade-resistant fabric to ensure long-lasting color and wear.
- **Anti-Odor:** Incorporates properties to resist odor buildup.
- **Easy Care:** Designed for straightforward maintenance.
- **Snag Resistant:** Fabric is resistant to snagging, enhancing durability.

## MAINTENANCE AND CARE

---

To ensure the longevity and performance of your CamoHex Tee, please adhere to the following care instructions:

- **Washing:** Hand Wash Only. This method helps preserve the fabric's integrity and print quality.

- **Drying:** Refer to the garment's internal label for specific drying instructions. Air drying is generally recommended for polyester performance fabrics to prevent damage and maintain shape. Avoid high heat.
- **Ironing:** If ironing is necessary, use a low heat setting. Avoid direct contact with any printed areas to prevent damage to the design.
- **Special Note:** Due to the nature of 100% polyester performance fabrics, special care must be taken throughout any screen printing or customization process to avoid affecting the material's properties.

## SIZING INFORMATION

---

Refer to the size guide below to determine your appropriate fit. All measurements are provided in inches.

### US T-Shirt

Brand Size	Chest (in)
XS	32 - 34

- **Closure Type:** Pull On
- **Neck Style:** Crew Neck
- **Manufacturer:** Sport-Tek
- **ASIN:** B00WVHMZEE
- **First Available Date:** April 29, 2015

## TROUBLESHOOTING

---

This section addresses common inquiries regarding the SPORT-TEK CamoHex Tee.

- **Issue:** Garment appears wrinkled after washing.  
**Solution:** The 100% polyester fabric is generally wrinkle-resistant. If wrinkles occur, iron on a low heat setting, avoiding direct contact with any printed designs.
- **Issue:** Fabric feels less effective at wicking moisture over time.  
**Solution:** Ensure care instructions are consistently followed, especially "Hand Wash Only." Fabric

softeners can sometimes reduce moisture-wicking properties over time; it is advisable to avoid using them.

- **Issue:** Color fading.

**Solution:** The fabric is designed to be fade-resistant. To maintain color vibrancy, always hand wash and avoid harsh detergents or prolonged, direct exposure to sunlight during drying.

## WARRANTY AND SUPPORT

---

For specific warranty information or product support, please contact SPORT-TEK directly through their official website or authorized retailers. It is recommended to retain your purchase receipt for any warranty claims.
