Intex 58802EP

Intex King Kool Inflatable Lounge Instruction Manual

Model: 58802EP

PRODUCT OVERVIEW

The Intex King Kool Inflatable Lounge is a classic pool lounger designed for comfort and relaxation. This bundle includes two loungers, one blue and one pearlescent silver, each measuring 63 inches by 33.5 inches. Featuring a comfortable backrest, armrests, and a built-in drink holder, it provides an ideal way to relax in the water. The lounger is constructed from durable 12 & 13 gauge vinyl and includes a repair patch for convenience. The transparent top with a blue or silver vinyl bottom allows for a stylish look.

SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove the inflatable lounge from its packaging.
2. **Inspect:** Check the lounge for any signs of damage or punctures before inflation.
3. **Inflate:** Locate the air valves. Use an air pump (not included) to inflate the separate chambers of the lounge. Ensure all sections, including the backrest, armrests, and main body, are fully inflated until firm to the touch, but not over-inflated. Over-inflation can cause damage.
4. **Seal Valves:** Securely close all air valves after inflation to prevent air leakage.
5. **Placement:** Place the inflated lounge into the desired body of water (pool, lake, calm river).

OPERATING INSTRUCTIONS

- **Entry:** Carefully enter the lounge from the water. Distribute your weight evenly to maintain stability.
- **Relaxation:** Enjoy the comfortable backrest and armrests. The built-in cup holder is designed to securely hold

your beverage.

- **Feet in Water:** The open foot area allows you to dip your feet into the water for cooling or gentle movement.
- **Weight Limit:** The maximum weight capacity for this lounge is 220 pounds (100 kg). Do not exceed this limit.
- **Age Range:** This product is designed for adult use.

MAINTENANCE

- **Cleaning:** After each use, rinse the lounge with fresh water and mild soap. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Ensure the lounge is completely dry before deflating and storing to prevent mold and mildew.
- **Storage:** Deflate the lounge by opening the air valves. Fold it neatly and store it in a cool, dry place away from direct sunlight and sharp objects.
- **Repair:** If a small puncture occurs, use the included repair patch. Clean the damaged area, apply the patch firmly, and allow it to cure completely before re-inflating.

TROUBLESHOOTING

- **Lounge is deflating:** Check all air valves to ensure they are securely closed. Inspect the entire surface for punctures. If a puncture is found, use the provided repair patch.
- **Lounge is unstable:** Ensure all chambers are properly inflated to the recommended firmness. Uneven inflation can lead to instability.
- **Difficulty inflating:** Verify that the air pump nozzle is correctly inserted into the valve and that the valve is open during inflation.

SPECIFICATIONS

Feature	Detail
Brand	Intex

Model Number	58802EP
Product Dimensions	63"L x 33.5"W (160 cm x 85 cm)
Material	Durable 12 & 13 Gauge Vinyl
Color	Blue, Pearlescent Silver (assorted)
Item Weight	3.5 Pounds (1.59 kg)
