Glory Furniture G1550G-KSB3

Glory Furniture Marilla King Storage Bed (G1550G-KSB3) Instruction Manual

Model: G1550G-KSB3

1. PRODUCT OVERVIEW

The Glory Furniture Marilla King Storage Bed is a robust and stylish addition to any bedroom, featuring wood veneers and practical storage solutions. This King-sized bed is designed for durability and functionality, incorporating dovetailed drawers for enhanced stability and longevity. Its cherry finish complements various decor styles.

Key Features:

- **Finish:** Cherry
- **Material:** Wood Veneers
- **Drawer Design:** Beveled Drawer Fronts
- **Drawer Construction:** Dovetailed Front and Rear
- **Frame Construction/Joinery:** Glued, Screwed, Stapled
- **Storage:** Integrated Drawers

2. SAFETY INFORMATION

Please read and understand all instructions before beginning assembly. Failure to follow these instructions may result in injury or damage to the product. Always check the instructions manual for detailed safety guidelines.

- Keep all small parts and packaging materials away from children.

- Assemble the bed on a soft, clean surface to prevent scratches.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten hardware.
- Do not stand on the bed frame or drawers.
- Distribute weight evenly across the bed surface.

3. PACKAGE CONTENTS

Before starting assembly, unpack all components and verify that you have received all parts listed below. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Glory Furniture Marilla King Storage Bed Components (Headboard, Footboard, Side Rails, Slats, Drawer Units)
- Hardware Pack (screws, bolts, washers, nuts, Allen wrench)
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two adults. Please follow these steps carefully to ensure proper construction and stability of your bed.

Tools Required:

- Phillips Head Screwdriver (not included)
- Rubber Mallet (optional, for gentle tapping)
- Allen Wrench (included in hardware pack)

Preparation:

1. Clear a spacious area for assembly, preferably near the bed's final location.
2. Lay out all components on a soft, non-abrasive surface to prevent damage.
3. Identify all hardware and components using the parts list.

Step-by-Step Assembly:

1. **Attach Side Rails to Headboard:** Securely fasten the left and right side rails to the headboard using the provided bolts and washers. Do not fully tighten bolts until all major components are connected.
2. **Attach Side Rails to Footboard:** Connect the opposite ends of the side rails to the footboard, ensuring proper alignment.
3. **Assemble and Install Storage Drawers:** If the drawers are separate, assemble them according to their specific instructions. Once assembled, slide them into their designated compartments within the bed frame. Ensure they glide smoothly.
4. **Install Center Support System:** Place any center support beams or legs as indicated in the detailed diagram (refer to the included paper manual for diagrams). These are crucial for mattress support.
5. **Place Bed Slats/Platform:** Distribute the bed slats evenly across the frame and secure them if required. For platform beds, ensure the platform panels are correctly seated.
6. **Final Tightening:** Once all components are in place and aligned, systematically tighten all bolts and screws using the Allen wrench and screwdriver. Do not overtighten.

5. USAGE GUIDELINES

This King-sized storage bed is designed to accommodate a standard King mattress. The integrated drawers provide convenient storage for bedding, clothing, or other items. Ensure the mattress is properly sized to fit the frame.

- **Mattress Compatibility:** Use with a King-sized mattress. A box spring is typically not required for platform beds but check your mattress manufacturer's recommendations.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the bed frame (consult the manufacturer's official documentation if available, otherwise assume standard bed capacity).
- **Drawer Use:** Avoid overloading drawers. Distribute weight evenly within each drawer to prevent damage to the glides.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Glory Furniture Marilla King Storage Bed. Refer to the product care instructions for specific guidance.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that can damage the cherry finish.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **Hardware Check:** Periodically check all bolts and screws and tighten them as needed to maintain stability.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

7. TROUBLESHOOTING

If you encounter any issues with your bed, refer to the following common troubleshooting tips:

- **Squeaking Noises:**
 - Check all hardware connections and tighten any loose bolts or screws.
 - Ensure slats are properly seated and not rubbing against the frame.
- **Drawers Not Sliding Smoothly:**
 - Verify that the drawer glides are correctly aligned and free of obstructions.
 - Ensure drawers are not overloaded or unevenly weighted.
- **Bed Feels Unstable:**
 - Re-check all assembly points and ensure all hardware is fully tightened.
 - Confirm that the bed is on a level surface.

8. PRODUCT SPECIFICATIONS

Feature	Detail
Brand:	Glory Furniture
Model Number:	G1550G-KSB3
Size:	King
Material:	Wood
Product Dimensions (L x W x H):	92"L x 92"W x 49"H
Item Weight:	298 pounds
Color:	Cherry
Style:	Modern
Number of Drawers:	1
UPC:	840255805148, 810670035130

9. WARRANTY AND SUPPORT

Manufacturer Warranty: Please refer to the product description or store page for specific manufacturer warranty details. Warranty terms typically cover manufacturing defects for a limited period from the date of purchase.

Customer Support: For assistance with assembly, missing parts, or any other product-related inquiries, please contact the retailer or the manufacturer directly. If purchased from Amazon, the seller "Cymax" may be able to provide support.
