## Operating Instructions

### Changing Area

The top surface of the unit serves as a changing table. Place your Baby Annabell doll on the changing mat for diaper changes or dressing. The mat provides a soft and comfortable surface for your doll.

### Wardrobe and Storage

The front of the unit features decorative curtains that can be opened to reveal various storage compartments for your doll's belongings.

- Use the internal shelves for folded clothes, blankets, or small accessories.
- The removable drawer/sorting box can hold smaller items such as doll socks, shoes, or tiny toys.
- A hanger is provided on the side of the unit for hanging doll outfits.

- A practical bottle holder is located on the exterior for easy access to your doll's bottle.

## Secret Compartment

A hidden compartment is integrated into the base of the wardrobe. To access it, simply lift the circular cover. This secret space is ideal for storing special doll treasures or small personal items.

## Nightlight with Lullaby

The sheep-shaped nightlight, when activated, provides a gentle light and plays a soothing lullaby. This feature can be used to comfort your Baby Annabell doll during playtime or before 'bedtime'.

## Maintenance

Proper care will ensure the longevity of your Baby Annabell 2-in-1 Wardrobe and Changing Table.

- Clean the surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.
- Regularly check for any loose parts, such as shelves or decorative elements, and ensure they are securely re-attached.
- If the nightlight's sound or light diminishes, replace the batteries according to the instructions in the Setup section.

## Troubleshooting

If you encounter any issues with your product, please refer to the following common solutions:

### Nightlight not working

- Check if batteries are correctly inserted with the proper polarity.
- Replace with new alkaline or rechargeable batteries if the existing ones are depleted.

### Loose parts

- Re-attach any decorative elements or shelves that may have come loose during play.
- If a part is broken or cannot be re-attached securely, discontinue use and contact customer support for assistance.
