## JBL Charge 2+

# JBL Charge 2+ Splashproof Portable Bluetooth Speaker User Manual

Model: Charge 2+

## 1. INTRODUCTION

This manual provides instructions for the proper use and maintenance of your JBL Charge 2+ Splashproof Portable Bluetooth Speaker. The JBL Charge 2+ is designed to deliver powerful, portable sound with the convenience of wireless Bluetooth streaming. Its splashproof design makes it suitable for various environments, and the built-in 6000mAh rechargeable battery ensures extended playback time.

Figure 1: Front view of the JBL Charge 2+ speaker, showcasing its red finish and JBL logo.

## 2. PACKAGE CONTENTS

Please check that all items are present in your package:

- JBL Charge 2+ Portable Bluetooth Speaker
- USB Charging Cable
- Quick Start Guide (not included in this digital manual)

- Safety Sheet (not included in this digital manual)

## 3. SETUP

---

### 3.1 Charging the Speaker

Before initial use, fully charge the JBL Charge 2+ speaker.

1. Connect the supplied USB charging cable to the charging port on the speaker.
2. Connect the other end of the USB cable to a compatible USB power adapter (not included) or a computer's USB port.
3. The LED indicators on the speaker will illuminate to show the charging status. All LEDs will be solid when fully charged.

The speaker features a 6000mAh rechargeable battery, providing extended playback time.

### 3.2 Powering On/Off

- To power on, press the **Power button** (symbol: circle with a vertical line) located on the top panel.
- To power off, press the **Power button** again.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Bluetooth Pairing

To connect your device to the JBL Charge 2+ via Bluetooth:

1. Power on the JBL Charge 2+ speaker.
2. Press the **Bluetooth button** (symbol: standard Bluetooth icon) on the top panel. The Bluetooth indicator will flash, indicating it is in pairing mode.
3. On your mobile device, enable Bluetooth and search for available devices.
4. Select "JBL Charge 2+" from the list of devices.
5. Once connected, the Bluetooth indicator will glow solid.

### 4.2 Audio Playback

After successful pairing, you can stream audio wirelessly from your device to the JBL Charge 2+.

- Control playback (play/pause, skip tracks) directly from your connected device.
- Adjust the volume using the **Volume Up (+)** and **Volume Down (-)** buttons on the speaker, or from your connected device.

### 4.3 Social Mode

The Social Mode feature allows up to three devices to connect to the JBL Charge 2+ simultaneously. This enables multiple users to take turns playing music.

1. Connect the first device via Bluetooth as described in section 4.1.
2. Press the **Social Mode button** (symbol: three interconnected dots) on the speaker.
3. Connect the second and third devices following the Bluetooth pairing steps.
4. The speaker will play audio from the last device that initiated playback.

#### 4.4 Speakerphone Function

When connected to a smartphone, the JBL Charge 2+ can be used as a speakerphone.

- To answer an incoming call, press the **Phone button** (symbol: phone receiver icon).
- To end a call, press the **Phone button** again.
- To reject an incoming call, press and hold the **Phone button**.

#### 4.5 Splashproof Feature

The JBL Charge 2+ is splashproof, meaning it can withstand splashes of water from any direction. This makes it suitable for use near pools or at the beach.

**Important:** The JBL Charge 2+ is **NOT** submersible. Do not immerse the speaker in water. Ensure all port covers are securely closed before exposing the speaker to moisture.

Figure 4: The splashproof design of the JBL Charge 2+ allows for use in wet environments.

## 5. MAINTENANCE

---

### 5.1 Cleaning

- Wipe the speaker with a soft, damp cloth.
- Do not use abrasive cleaners or solvents.
- Ensure the charging port and other openings are dry before charging.

### 5.2 Battery Care

- To prolong battery life, fully charge the speaker at least once every three months.
- Avoid exposing the speaker to extreme temperatures (hot or cold) as this can affect battery performance.

### 5.3 Storage

Store the speaker in a cool, dry place away from direct sunlight and excessive moisture when not in use for extended periods.

## 6. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Speaker does not power on	Battery is depleted	Charge the speaker using the supplied USB cable.
Cannot pair via Bluetooth	Bluetooth is not enabled on your device or speaker is not in pairing mode	Ensure Bluetooth is enabled on your device. Press the Bluetooth button on the speaker to enter pairing mode.
No sound or low volume	Volume is too low on speaker or device; device not connected	Increase volume on both the speaker and your connected device. Verify Bluetooth connection.
Buttons are unresponsive	Temporary software glitch	Try restarting the speaker by powering it off and then on again. If the issue persists, contact customer support.

## 7. SPECIFICATIONS
