KAWADA NBC_159

nanoblock Giant Panda NBC_159 Instruction Manual

Model: NBC_159 | Brand: KAWADA

Introduction

This manual provides detailed instructions for assembling and caring for your nanoblock Giant Panda model NBC_159. nanoblock is a micro-sized building block system that allows for intricate and detailed creations. Please read all instructions carefully before beginning assembly.

Image: nanoblock Giant Panda NBC_159 product packaging. The packaging displays the completed panda model, the nanoblock logo, and indicates 170 pieces with a difficulty level of 2 out of 5.

Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Recommended Age:** This product is recommended for ages 12 and up.
- Keep all packaging materials away from children.

Setup and Preparation

Before you begin assembly, ensure you have a clean, well-lit workspace. The nanoblock Giant Panda set contains 170 micro-sized pieces. It is advisable to sort the pieces by color and shape to facilitate the building process.

Package Contents:

- nanoblock pieces (170 pieces, primarily black, white, and green)
- Instruction sheet (visual guide for assembly)

Assembly Instructions

The nanoblock Giant Panda model has a difficulty level of 2 out of 5. Follow the step-by-step visual instructions provided in the package. Due to the small size of the blocks, precision and patience are key.

1. **Review Instructions:** Carefully examine the entire instruction sheet before starting. Familiarize yourself with the block types and the assembly sequence.
2. **Start from the Base:** Most nanoblock models are built from the bottom up. Identify the base pieces and begin constructing the foundation of the panda.
3. **Layer by Layer:** Assemble the model layer by layer, ensuring each block is securely connected to the previous layer.
4. **Color Guidance:** Pay close attention to the color indications in the instructions to correctly place the black, white, and green blocks to form the panda's features and bamboo.
5. **Secure Connections:** Press blocks firmly together to ensure a stable structure. If a piece feels loose, re-check its placement.
6. **Small Parts Handling:** Use tweezers if necessary for placing very small or hard-to-reach pieces.

If you encounter difficulty, retrace your steps and verify that all pieces are correctly positioned according to the visual guide.

Care and Maintenance

- **Cleaning:** To clean your assembled nanoblock model, gently wipe it with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or deformation of the plastic blocks.
- **Disassembly:** If disassembling, carefully separate the blocks to avoid damage. Store loose blocks in a secure container to prevent loss.

Troubleshooting

Problem	Solution
Missing pieces	Double-check your workspace and packaging. If pieces are genuinely missing, contact KAWADA customer support (see Support section).
Difficulty connecting blocks	Ensure blocks are aligned correctly. Apply firm, even pressure. Avoid forcing blocks, as this can cause damage.
Model is unstable	Review previous steps in the instructions to ensure all blocks are correctly placed and securely connected. Small misalignments can affect overall stability.

Product Specifications

Model Name: nanoblock Giant Panda

Model Number: NBC_159 (also SCH-NAN14941)

Brand: KAWADA

Number of Pieces: 170

Difficulty Level: 2/5

Recommended Age: 12 years and up

Main Material: Plastic

Product Dimensions (L x W x H): 5.1 x 4.8 x 4.8 cm (approximately 2.0 x 1.9 x 1.9 inches)
