TiZO3 Facial Mineral Sunscreen and Primer User Manual

Brand: TIZO | Model: Tinted SPF 40

1. PRODUCT OVERVIEW

The TiZO3 Facial Mineral Sunscreen and Primer is a tinted, broad-spectrum SPF 40 formula designed to provide effective UVA/UVB protection while serving as a lightweight primer for your face. It offers a sheer, matte finish and is formulated without chemical sunscreens, dyes, fragrances, oils, or preservatives, making it suitable for sensitive skin.

2. KEY FEATURES & BENEFITS

- **Broad Spectrum SPF 40:** Provides robust protection against both UVA and UVB rays.
- **Tinted Formula:** Offers sheer coverage that helps to even out skin tone and minimize the appearance of white cast often associated with mineral sunscreens.
- **Primer Functionality:** Creates a smooth, matte base for makeup application, or can be worn alone for a natural look.
- **Antioxidant-Rich:** Contains Antioxidants C & E to help protect the skin from environmental damage.
- **Mineral-Based Protection:** Utilizes Titanium Dioxide and Zinc Oxide for physical sun protection.
- **Lightweight & Silky Smooth:** Designed for comfortable daily wear without feeling heavy or greasy.
- **Free From Common Irritants:** Fragrance-Free, Oil-Free, and Preservative-Free, making it ideal for sensitive skin.
- **Dermatologist-Recommended:** Trusted by skincare professionals.
- **Reef Friendly:** Formulated to be safe for marine ecosystems.

3. USAGE INSTRUCTIONS

3.1. Initial Setup & Patch Test

Before full application, it is recommended to perform a patch test, especially if you have sensitive skin. Apply a small amount of the product to an inconspicuous area of skin, such as behind the ear or on the inner forearm. Observe for any signs of irritation (redness, itching, burning) for 24 hours. If irritation occurs, discontinue use.

3.2. Operating (Daily Application)

Apply the TiZO3 Facial Mineral Sunscreen and Primer generously and evenly to your face after your moisturizer and before makeup application. Ensure full coverage for optimal sun protection. Reapply as needed, especially after swimming, sweating, or towel drying, to maintain effectiveness.

4. INGREDIENTS

The TiZO3 Facial Mineral Sunscreen and Primer features a mineral-based formula. Key active ingredients include:

- **Titanium Dioxide:** A mineral UV filter that protects skin from UVA and UVB radiation.
- **Zinc Oxide:** Another mineral UV filter that provides broad-spectrum protection and is known for its soothing properties.

The formula also includes antioxidants C & E for added skin benefits. For a complete list of ingredients, please refer to the product packaging.

5. CARE & MAINTENANCE

- Store the product in a cool, dry place away from direct sunlight.

- Ensure the cap is tightly closed after each use to prevent contamination and drying.
- Do not dilute the product or mix it with other substances, as this may compromise its effectiveness.
- Check the expiration date on the packaging and discard the product if it has expired.

6. TROUBLESHOOTING

6.1. Skin Irritation

If you experience redness, itching, burning, or any other signs of irritation after applying the product, discontinue use immediately. Cleanse the affected area thoroughly with mild soap and water. If symptoms persist, consult a dermatologist or healthcare professional.

6.2. Uneven Application / White Cast

While the product is tinted to minimize white cast, ensure even application. Apply in small sections and blend thoroughly into the skin. If a slight white cast is observed, allow a few minutes for the product to settle and adapt to your skin tone.

7. SPECIFICATIONS

Specification	Detail
Brand	TIZO
Model Number	tinted
Sun Protection Factor (SPF)	40
