# TCM Tchibo Mixing Bowl with Splash Guard

Model: 315712

## INTRODUCTION

Thank you for choosing the TCM Tchibo Mixing Bowl with Splash Guard. This versatile kitchen tool is designed to simplify your mixing and baking tasks, ensuring a clean and efficient experience. It features a practical 2-in-1 lid that functions as both a splash guard and a cover for the included measuring cup. The bowl is equipped with clear measurement markings and a precise pouring spout. The entire set is designed for ease of use and cleaning.

### Key Features:

- Mixing bowl with integrated splash guard lid.
- Precise pouring spout for accurate transfer of contents.
- Includes a measuring cup with graduations for flour and sugar.
- Measuring cup stores conveniently inside the bowl.
- Dishwasher safe for easy cleaning.

## PRODUCT OVERVIEW

The TCM Tchibo Mixing Bowl set includes a large mixing bowl, a 2-in-1 splash guard lid, and a measuring cup. The lid is designed to fit securely on the bowl to prevent splashes during mixing, and also has a section to cover the measuring cup when stored.

## SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all parts (mixing bowl, splash guard lid, measuring cup) are present.
2. **Initial Cleaning:** Before first use, wash all parts thoroughly with warm soapy water or place them in a dishwasher. Rinse well and dry completely.
3. **Inspection:** Check all components for any signs of damage. Do not use if any part is cracked or broken.

## OPERATING INSTRUCTIONS

1. **Using the Mixing Bowl:** Place the desired ingredients into the mixing bowl. The bowl has internal graduations in milliliters (ml) and ounces (oz) to assist with accurate measurements.
2. **Attaching the Splash Guard Lid:** For mixing, place the splash guard lid securely onto the rim of the mixing bowl. The central opening allows for the insertion of hand mixers or whisks while minimizing splashes.
3. **Using the Measuring Cup:** The included measuring cup has graduations for both grams (g) and milliliters (ml) for common ingredients like flour and sugar. Use it to measure smaller quantities accurately.
4. **Pouring Contents:** Once mixing is complete, remove the splash guard lid. Use the integrated pouring spout on the mixing bowl to transfer contents precisely into other containers or baking molds.
5. **Storing the Measuring Cup:** When not in use, the measuring cup can be stored inside the mixing bowl to save space. One part of the 2-in-1 lid is designed to cover the measuring cup when it is placed inside the bowl.

## MAINTENANCE AND CLEANING

Proper maintenance ensures the longevity and hygiene of your mixing bowl set.

- **Dishwasher Safe:** All components of the TCM Tchibo Mixing Bowl set are dishwasher safe. Place them on the top rack for best results.
- **Hand Washing:** Alternatively, wash all parts with warm water and a mild dish soap. Use a soft sponge or cloth to avoid scratching the surfaces. Rinse thoroughly and dry immediately to prevent water spots.
- **Storage:** Store the clean and dry mixing bowl set in a cupboard or drawer. The measuring cup can be stored inside the main bowl with the lid covering it.

## TROUBLESHOOTING

This product is designed for simplicity and durability. Should you encounter any issues, consider the following:

- **Lid not fitting securely:** Ensure the lid is correctly aligned with the bowl's rim. Check for any food debris or obstructions preventing a proper seal.
- **Difficulty cleaning:** For stubborn dried-on food, soak the bowl and lid in warm soapy water for a few minutes before washing.
- **Product damage:** If any part of the set is cracked or broken, discontinue use immediately and consider replacement.
