Savoy House Birone 8-880-4-109

Savoy House Birone 4-Light Vanity Bar

Model: 8-880-4-109

INTRODUCTION

This manual provides detailed instructions for the safe installation, operation, and maintenance of your Savoy House Birone 4-Light Vanity Bar. Please read all instructions carefully before beginning installation and retain this manual for future reference. Proper installation and adherence to these guidelines will ensure optimal performance and longevity of your lighting fixture.

SAFETY INFORMATION

- **WARNING:** Risk of electric shock. Disconnect power at the main circuit breaker or fuse box before installation or servicing.
- All electrical connections must be in accordance with local codes, ordinances, or the National Electric Code (NEC). Consult a qualified electrician if you are unfamiliar with proper electrical wiring.
- Use only the specified bulb type and wattage. Exceeding the maximum wattage may cause overheating and damage to the fixture.
- Do not install this fixture in wet locations unless specifically rated for such use. This fixture is designed for indoor, dry locations.
- Handle glass components with care to prevent breakage.
- Ensure all mounting hardware is securely fastened before operating the fixture.

PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with installation. If any parts are missing or damaged, do not attempt to install the fixture. Contact customer support for assistance.

- 1 x Birone 4-Light Vanity Bar Fixture (Polished Nickel finish)
- 4 x Clear Patterned Glass Shades
- 1 x Mounting Hardware Kit (includes mounting plate, screws, wire nuts)
- 1 x Instruction Manual

Bulb Type	E-type (not included)
Max Wattage per Bulb	100 Watts
Voltage	120 Volts
Dimensions (L x D x H)	34.3" x 11.3" x 8.4"
Item Weight	10.34 Pounds
Installation Type	Wall Mount
Indoor/Outdoor Usage	Indoor

SETUP AND INSTALLATION

Professional installation by a qualified electrician is recommended for safety and proper functionality.

- 1. Prepare for Installation:** Turn off power at the circuit breaker. Ensure the wall surface is clean, dry, and structurally sound to support the fixture's weight.
- 2. Mounting Plate Installation:** Attach the mounting plate to the junction box using the provided screws. Ensure the plate is level and secure.
- 3. Electrical Connections:** Connect the fixture's wires to the house wires according to standard electrical codes (black to black, white to white, ground to ground). Secure connections with wire nuts. Carefully tuck all wires into the junction box.
- 4. Fixture Attachment:** Align the fixture's backplate with the mounting plate and secure it with the provided screws.
- 5. Install Glass Shades:** Carefully attach each clear patterned glass shade to the fixture. Ensure they are securely fastened but do not overtighten.
- 6. Insert Bulbs:** Screw in four E-type bulbs (not included) into the sockets. Do not exceed 100 watts per bulb.
- 7. Restore Power:** Turn the power back on at the circuit breaker and test the fixture.

OPERATING INSTRUCTIONS

Once installed and powered, the Savoy House Birone 4-Light Vanity Bar operates like any standard wall-mounted light fixture. Use your existing wall switch to turn the light on and off. Ensure bulbs are securely seated for proper operation.

MAINTENANCE

- **Cleaning:** To clean the fixture, turn off the power and allow it to cool. Wipe the metal finish with a soft, dry cloth. Do not use abrasive cleaners, polishes, or chemicals, as these can damage the finish.
- **Glass Shades:** The glass shades can be removed for cleaning. Wash with mild soap and water, rinse thoroughly, and dry completely before reattaching.

- **Bulb Replacement:** Always turn off power before replacing bulbs. Allow old bulbs to cool before removal. Replace with E-type bulbs of the same wattage or lower, not exceeding 100 watts.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on	No power to the fixture Loose wire connection Faulty bulb	Check circuit breaker. Ensure wall switch is on. Verify all wire connections are secure (power off first). Replace bulb with a new one.
Flickering light	Loose bulb Incorrect bulb type/wattage Loose wiring	Tighten bulb. Ensure it is fully seated. Use recommended E-type bulbs, max 100W. Check wire connections (power off first).
Fixture gets too hot	Bulb wattage too high	Replace bulbs with lower wattage, not exceeding 100W.

WARRANTY

The Savoy House Birone 4-Light Vanity Bar (Model 8-880-4-109) is covered by a **1-Year Manufacturer Warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage resulting from improper installation, misuse, abuse, accidents, or unauthorized repairs. Please retain your proof of purchase for warranty claims.

SUPPORT

For technical assistance, missing parts, or warranty inquiries, please contact Savoy House customer support. Refer to the contact information provided with your purchase documentation or visit the official Savoy House website.

Please note: Product specifications and design are subject to change without notice.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page’s manual context to help answer it.
