## Baby Einstein 90680

# Baby Einstein Rock, Light & Roll Guitar Musical Toy

Model: 90680

## 1. PRODUCT OVERVIEW

The Baby Einstein Rock, Light & Roll Guitar Musical Toy is designed to introduce infants aged 3 months and up to music appreciation. This toy features two primary modes of play: strumming a spinning rattle ball and pressing numbered buttons to activate classical melodies and light shows. Its compact design includes an easy-to-grab handle for portability.

The Baby Einstein Rock, Light & Roll Guitar Musical Toy, featuring a blue body, black and white striped neck, and colorful buttons.

## 2. KEY FEATURES

- Two modes of play: spinning rattle ball for strumming sounds and numbered buttons for melodies.
- Plays 10 classical melodies.
- Integrated flashing light show accompanies music.
- Designed for floor play and on-the-go use.
- Features an easy-to-grab handle for small hands.
- Includes two volume settings and an off switch.

## 3. PACKAGE CONTENTS

The package contains one Baby Einstein Rock, Light & Roll Guitar Musical Toy. Three AAA batteries are included and pre-installed.

## 4. BATTERY INSTALLATION

The toy comes with 3 AAA batteries pre-installed. If replacement is needed:

1. Locate the battery compartment on the back of the toy.
2. Using a Phillips head screwdriver, loosen the screw and open the battery compartment cover.
3. Remove the old batteries and insert 3 new AAA batteries, ensuring correct polarity (+/-).
4. Replace the cover and tighten the screw securely.

**Note:** Always use fresh batteries of the same type. Do not mix old and new batteries or different types of batteries.

## 5. OPERATING INSTRUCTIONS

To begin using the Baby Einstein Rock, Light & Roll Guitar Musical Toy:

1. **Power On:** Locate the volume switch on the toy's body. Slide the switch to either the low volume or high volume setting to turn the toy on.
2. **Play Music with Buttons:** Press any of the three numbered buttons on the guitar's neck to activate short musical riffs and flashing lights.

3. **Play Music with Strumming:** Strum or spin the clear rattle ball located in the center of the guitar body to play 10 classical melodies and trigger a synchronized light show.
4. **Portability:** The toy features an integrated handle, allowing for easy carrying and play while on the go.
5. **Power Off:** To conserve battery life, slide the volume switch to the 'Off' position when the toy is not in use.

## 2 Opções de Volume

Para seu filho se divertir a qualquer hora do dia!

## 6. CARE AND MAINTENANCE

- Wipe the toy clean with a damp cloth and mild soap. Do not immerse in water.
- Air dry thoroughly before storage or next use.
- Avoid exposing the toy to direct sunlight or extreme temperatures.
- Remove batteries if the toy will not be used for an extended period.

## 7. TROUBLESHOOTING

- **No Sound/Lights:** Ensure the volume switch is not in the 'Off' position. Check if batteries are correctly installed and not depleted. Replace batteries if necessary.
- **Intermittent Operation:** This may indicate low battery power. Replace batteries.
- **Toy is not responding:** Turn the toy off and then on again to reset. If the issue persists, replace batteries.
