

Winco WC-60

Winco WC-60 Wine Cooler User Manual

Model: WC-60

1. INTRODUCTION

Thank you for choosing the Winco WC-60 Wine Cooler. This manual provides essential information for the proper setup, operation, and maintenance of your new wine cooler. Please read these instructions carefully before use and retain them for future reference.

2. PRODUCT OVERVIEW

The Winco WC-60 is a double-walled, hourglass-shaped wine cooler designed to maintain the temperature of your wine. Constructed from durable stainless steel with a mirror finish, it is suitable for various settings.

Image 1: The Winco WC-60 Wine Cooler, showcasing its polished stainless steel finish and distinctive hourglass design.

Key Features:

- **Capacity:** Approximately 60 oz.
- **Dimensions:** 6 inches diameter x 7 inches height.
- **Construction:** Double-walled for enhanced insulation.
- **Material:** High-quality stainless steel.
- **Finish:** Elegant mirror finish.
- **Design:** Hourglass shape.

3. SETUP

1. **Unpacking:** Carefully remove the wine cooler from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, wash the wine cooler thoroughly with warm, soapy water. Rinse completely and dry with a soft cloth.
3. **Placement:** Place the wine cooler on a stable, flat surface away from direct heat sources or extreme cold.

4. OPERATING INSTRUCTIONS

The Winco WC-60 Wine Cooler is designed for simplicity and effectiveness.

- Pre-chill (Optional):** For optimal performance, you may pre-chill the wine cooler in a refrigerator for 15-30 minutes before use.
- Insert Wine Bottle:** Place your pre-chilled wine bottle directly into the cooler. The double-walled construction will help maintain the wine's temperature.
- Serving:** The cooler is designed to keep wine at its serving temperature for an extended period.

Note: This wine cooler is not designed to chill warm wine, but rather to maintain the temperature of already chilled wine.

5. CARE AND MAINTENANCE

- Cleaning:** After each use, wash the wine cooler by hand with warm, soapy water. Avoid abrasive cleaners or scouring pads, which can scratch the mirror finish.
- Drying:** Dry immediately with a soft, clean cloth to prevent water spots and maintain the luster of the stainless steel.
- Storage:** Store in a dry place when not in use.
- Dishwasher Safety:** Hand washing is recommended to preserve the finish and integrity of the double-walled construction.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Wine not staying cool	Wine was not pre-chilled; cooler was not pre-chilled; ambient temperature is too high.	Ensure wine is chilled before placing in cooler. Pre-chill the cooler if desired. Use in a reasonably cool environment.
Water spots or streaks on finish	Improper drying after washing.	Dry immediately and thoroughly with a soft, lint-free cloth after washing.
