SpaRoom Aromafier (Model 852030004936)

SpaRoom Aromafier Black Essential Oil Diffuser User Manual

Model: Aromafier (852030004936)

INTRODUCTION

The SpaRoom Aromafier Black is a portable essential oil diffuser designed to create a healthy and fragrant environment. Its compact, palm-sized design makes it ideal for use in various personal spaces, including cars, desktops, hotels, or beside your bed. This diffuser utilizes a silent fan to project beneficial scents from your chosen pure essential oils, applied to micro-fiber absorbing pads. It features a soft blue LED light to indicate power and offers flexible power options via a USB cord or 2 AA batteries.

SAFETY INFORMATION

- Always use essential oils as directed.
- Avoid direct skin contact with undiluted essential oils.
- Keep out of reach of children and pets.
- Do not leave the diffuser unattended while in use.
- Ensure proper ventilation during operation.
- Keep the device away from flammable materials.
- If ingested, seek medical attention immediately.

SETUP

Follow these steps to prepare your SpaRoom Aromafier for use:

1. **Unpack the Aromafier:** Carefully remove the diffuser from its packaging.
2. **Prepare Absorbing Pads:** The unit includes three micro-fiber absorbing pads. If necessary, clean removable parts with warm, soapy water before first use.
3. **Add Essential Oil:** Apply a few drops of your preferred essential oil directly onto one of the micro-absorbing pads. Do not over-saturate the pad.
4. **Insert Pad:** Place the scented pad into the designated compartment within the Aromafier.
5. **Power Connection:**
 - For USB power: Connect the included USB cord to the Aromafier and then to a USB port on a computer or a universal wall adapter (not included).
 - For wireless operation: Insert 2 AA batteries (not included) into the battery compartment.

OPERATING INSTRUCTIONS

Once set up, operate your Aromafier as follows:

- Power On/Off:** Press the power button to turn the Aromafier on or off. A soft blue LED light will illuminate when the device is active.
- Mist Settings:** The Aromafier offers three mist intensity settings:
 - Low (L):** Diffuses for 10 seconds, then pauses for 60 seconds.
 - Medium (M):** Diffuses for 20 seconds, then pauses for 60 seconds.
 - High (H):** Diffuses for 30 seconds, then pauses for 60 seconds.
- Timer Settings:** Select a timer option for automatic shut-off:
 - 30 minutes**
 - 60 minutes**
 - 90 minutes**
- LED Light:** The soft blue LED light indicates the device is powered on and operating.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Aromafier:

- Replacing Absorbing Pads:** The unit includes three micro-fiber absorbing pads. These pads should be replaced after extended use or when changing to a different fragrance to prevent scent mixing and maintain diffusion efficiency.
- Cleaning:** If the mist output reduces noticeably, clean the diffuser. Remove the absorbing pad and gently wipe the interior and exterior surfaces with a soft, damp cloth. Ensure the device is completely dry before reinserting a pad and operating.
- Storage:** When not in use for an extended period, remove batteries (if applicable) and store the diffuser in a cool, dry place.

TROUBLESHOOTING

If you encounter issues with your Aromafier, refer to the following common solutions:

- No Mist/Weak Mist:**
 - Ensure the absorbing pad has sufficient essential oil.
 - Check if the absorbing pad needs replacement.
 - Verify the power source (USB connection or batteries) is functioning correctly.
- Device Not Turning On:**
 - If using USB, ensure the cable is securely connected and the USB port/adapter is active.
 - If using batteries, check if they are inserted correctly and have sufficient charge. Replace with new batteries if necessary.
- Unusual Noise:**
 - Ensure the diffuser is placed on a flat, stable surface.
 - Check for any obstructions around the fan or mist outlet.

SPECIFICATIONS

Feature	Detail
Brand	SpaRoom
Model Number	852030004936
Product Dimensions	4 x 3.2 x 2.5 inches
Item Weight	4 ounces
Color	Black
Power Source	USB Cable, 2 AA Batteries (not included)
Special Feature	Soft Blue LED Light
Recommended Uses	Home, Office, Car, Travel
