Modern Forms WS-3120-BN

Modern Forms Vogue 20in LED Bathroom Vanity or Wall Light (WS-3120-BN) Instruction Manual

Model: WS-3120-BN | Brand: Modern Forms

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Modern Forms Vogue 20in LED Bathroom Vanity or Wall Light. The Vogue luminaire is designed for various applications, featuring a brushed nickel finish and a 3000K LED light source. It is crafted with aluminum hardware and a mouth-blown etched opal glass diffuser, offering powerful lumen output and excellent color rendering.

Please read all instructions carefully before beginning installation and retain this manual for future reference.

SETUP AND INSTALLATION

Important Safety Information: Installation should be performed by a qualified electrician. Ensure power is turned off at the circuit breaker before installation. All wiring must be in accordance with national and local electrical codes.

Package Contents:

- Complete Light Fixture
- Integrated LED Light Module
- Mounting Hardware
- Instruction Manual

Installation Steps:

1. **Prepare for Installation:** Turn off power at the main circuit breaker. Clear the installation area.
2. **Mounting Location:** This fixture can be mounted vertically or horizontally. It is designed to fit easily on a standard pancake junction box.

3. **Attach Mounting Plate:** Secure the mounting plate to the junction box using the provided hardware.
4. **Electrical Connections:** Connect the fixture's wires to the corresponding household wires (black to black, white to white, ground to ground). The fixture uses AC LED technology, so no external driver or transformer is required.
5. **Secure Fixture:** Carefully align the fixture with the mounting plate and secure it using the provided screws. Ensure all connections are tucked safely into the junction box.
6. **Test Functionality:** Restore power at the circuit breaker and test the light fixture.

OPERATING INSTRUCTIONS

The Modern Forms Vogue LED light fixture is designed for simple operation once installed.

Turning On/Off:

Operate the light using a standard wall switch connected to the fixture's circuit. The fixture will illuminate instantly when power is supplied.

Dimming Functionality:

This fixture supports smooth and continuous dimming when connected to a compatible electronic low voltage (ELV) dimmer switch. Ensure your dimmer switch is rated for LED loads to prevent flickering or damage.

While the product specifications mention "Touch" control, the primary dimming functionality is achieved via an ELV dimmer. If your specific installation includes a touch-sensitive switch, refer to that switch's instructions for operation.

MAINTENANCE

The Modern Forms Vogue LED light fixture requires minimal maintenance due to its durable construction and long-lasting LED components.

Cleaning:

- **Fixture Exterior:** To clean the brushed nickel finish and aluminum hardware, wipe gently with a soft, dry, or slightly damp cloth. Avoid abrasive cleaners, solvents, or polishes as these can damage the finish.
- **Glass Diffuser:** The mouth-blown etched opal glass diffuser can be cleaned with a soft, damp cloth. Do not use harsh chemicals.
- **Before Cleaning:** Always ensure the power to the fixture is turned off at the circuit breaker before cleaning.

LED Module:

The integrated LED module is designed for a long operational life of approximately 80,000 hours. It is a high-powered replaceable module. If replacement becomes necessary, contact Modern Forms customer support or a qualified electrician.

TROUBLESHOOTING

If you encounter issues with your Modern Forms Vogue light fixture, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on.	No power to the fixture. Loose wiring connection. Faulty switch.	Check circuit breaker. Ensure all wire connections are secure (consult an electrician). Test the switch with another device.
Light flickers or dims improperly.	Incompatible dimmer switch. Loose wiring.	Ensure an ELV dimmer rated for LED loads is used. Check wiring connections (consult an electrician).
Light output is weak or inconsistent.	Voltage fluctuations. Damaged LED module.	Consult an electrician to check household voltage. Contact Modern Forms customer support for LED module replacement.

If these steps do not resolve the issue, please contact Modern Forms customer support or a qualified electrician.

SPECIFICATIONS

Brand	Modern Forms
Model Name	Vogue
Model Number	WS-3120-BN
Color	Brushed Nickel
Size	20in
Product Dimensions	20"L x 3"W x 5"H
Material	Aluminum, Mouth-blown etched opal glass
Light Source Type	LED
Color Temperature	3000 Kelvin (Warm White)
Brightness	1875 Lumens
Wattage	30 Watts
Voltage	120 Volts
CRI (Color Rendering Index)	95
Average Life	80,000 Hours
Dimmable	Yes, with ELV dimmer
Indoor/Outdoor Usage	Indoor (Damp locations listed)
Certifications	ETL & cETL UL 1598 listed for damp locations, CEC Title 24, ADA Compliant
Mounting Type	Single Circuit (Can be mounted vertically or horizontally)

WARRANTY INFORMATION

Modern Forms provides the following warranty for the Vogue LED Bathroom Vanity or Wall Light (Model WS-3120-BN):

- **Finish:** 2-Year Limited Warranty
- **LED Components:** 5-Year Limited Warranty

This warranty covers defects in materials and workmanship under normal use. For full warranty terms and conditions, please refer to the official Modern Forms warranty documentation or contact customer support.

SUPPORT AND CONTACT

For technical assistance, warranty claims, or further information regarding your Modern Forms Vogue LED light fixture, please contact Modern Forms customer support.

It is recommended to have your model number (WS-3120-BN) and purchase date available when contacting support.
