Lil' Drugstore LIL11313

Carmex Original Lip Balm Tube (Model LIL11313) User Manual

Brand: Lil' Drugstore

Introduction

This manual provides essential instructions for the proper use, care, and maintenance of your Carmex Original Lip Balm Tube, Model LIL11313. Please read this manual thoroughly before first use to ensure optimal results and safety.

Product Overview

The Carmex Original Lip Balm Tube is designed to provide soothing relief and protection for dry, chapped lips. Its formulation offers hydrating, moisturizing, and sun protection benefits. It is also commonly used for cold sores.

Image: A display box containing several Carmex Original Lip Balm tubes. The box indicates the product is for cold sores and dry chapped lips, and is a pharmacist-recommended lip balm.

- **Item Form:** Tube, Balm
- **Skin Type:** Suitable for All skin types
- **Product Benefits:** Hydrating, Sun Protection, Soothing, Moisturizing
- **Flavor:** Original

Setup

1. **Unpack:** Carefully remove the Carmex Original Lip Balm tube from its packaging.
2. **Inspect:** Before first use, inspect the tube for any signs of damage or tampering. Do not use if the product appears compromised.

Operating Instructions

Follow these steps for effective application of the lip balm:

1. **Remove Cap:** Twist off the cap from the Carmex lip balm tube.
2. **Apply:** Squeeze a small amount of balm directly onto your fingertip or apply directly to your lips.
3. **Spread Evenly:** Gently spread the balm over your entire lip area, ensuring full coverage.
4. **Reapply:** Reapply as needed, especially in dry, cold, or windy conditions, or before sun exposure.
5. **Replace Cap:** After use, securely replace the cap to prevent contamination and drying out.

For cold sores, apply at the first sign of tingling or discomfort.

Care and Maintenance

- **Storage:** Store the lip balm at room temperature, away from direct sunlight and excessive heat.
- **Hygiene:** To maintain hygiene, avoid sharing your lip balm with others.
- **Expiration:** Check the expiration date on the packaging. Discard the product if it has expired or if its appearance, smell, or texture changes.

Troubleshooting

- **Persistent Dryness/Chapping:** If your lips do not improve after regular use, or if the condition worsens, discontinue use and consult a healthcare professional.
- **Irritation/Allergic Reaction:** If you experience redness, itching, swelling, or any other signs of irritation, stop using the product immediately and seek medical advice.
- **Product Consistency Issues:** If the balm becomes too hard or too soft, ensure it is stored within the recommended temperature range. Extreme temperatures can affect consistency.
