# BarcaLounger Jacques Reclining Pedestal Chair Instruction Manual

Model: Jacques (15-8021)

[Introduction](#)   [Safety Information](#)   [Setup & Assembly](#)   [Operating](#)  
[Instructions](#)   [Maintenance](#)   [Troubleshooting](#)   [Specifications](#)   [Warranty & Support](#)

## 1. INTRODUCTION

This manual provides essential instructions for the safe and proper assembly, operation, and maintenance of your BarcaLounger Jacques Reclining Pedestal Chair. Please read all instructions carefully before use and retain this manual for future reference.

## 2. SAFETY INFORMATION

---

- Always ensure all components are securely fastened before using the chair.
- Keep hands and feet clear of the reclining mechanism during operation to prevent injury.
- Do not allow children to play on or around the chair unsupervised.
- Avoid standing on the chair or ottoman.
- Do not exceed the recommended weight capacity (not specified, assume standard adult use).
- Place the chair on a level surface to prevent tipping.

## 3. SETUP & ASSEMBLY

---

The BarcaLounger Jacques Reclining Pedestal Chair requires some assembly. It is recommended to have a ratchet drive with Allen wrench attachments for faster assembly. Follow these general steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components (chair base, chair back, ottoman base, ottoman cushion, and hardware) are present and undamaged.
2. **Attach Chair Back:** Align the chair back with the chair base. Securely attach the chair back using the provided hardware.

Ensure all bolts are tightened firmly.

3. **Assemble Ottoman:** Attach the ottoman cushion to the ottoman base using the provided hardware. Ensure a secure connection.
4. **Final Check:** Once assembled, gently test the chair and ottoman to ensure stability and proper function before full use.

Figure 3: The separate ottoman component, which requires assembly to its base.

## 4. OPERATING INSTRUCTIONS

---

- **Reclining Function:** To recline, lean back gently while applying pressure to the backrest. The chair will smoothly adjust to your desired reclining angle. To return to an upright position, lean forward.
- **Pedestal Swivel:** The chair features a pedestal base allowing for 360-degree swivel motion. Rotate the chair as desired for optimal viewing or conversation.
- **Ottoman Use:** The angled ottoman is designed to provide superior leg support. Position it comfortably in front of the chair when reclining.
- **Wall Proximity:** Ensure the chair is placed at least 10 inches (25.4 cm) from any wall or obstruction to allow for full reclining motion without interference.

Figure 4: Side view demonstrating the chair's reclining capability.

## 5. MAINTENANCE

---

- **Leather Care:** For cleaning the leather upholstery, use a soft, damp cloth for spot washing. Avoid harsh chemicals or abrasive cleaners, which can damage the leather. Regularly dust the surface with a dry cloth.
- **Wood Base Care:** Wipe the cappuccino-finished wood base with a soft, dry cloth. Avoid excessive moisture.
- **Hardware Inspection:** Periodically check all bolts and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent loosening over time.

## 6. TROUBLESHOOTING

**Chair feels unstable or wobbly:**

Check all assembly bolts and connections, especially where the chair back attaches to the base and the base to the pedestal.  
Tighten any loose fasteners.

**Reclining mechanism is stiff or not engaging:**

Ensure there are no obstructions around or within the reclining mechanism. Verify that the chair is positioned with adequate wall clearance (10 inches).

**Leather appears cracked or damaged:**

Refer to the maintenance section for proper leather care. For significant damage, contact the manufacturer or retailer for repair options.

## 7. SPECIFICATIONS

| Feature                        | Detail                                                  |
