Exploding Kittens NSFW Edition

Exploding Kittens NSFW Edition Instruction Manual

Brand: Exploding Kittens

Model: NSFW Edition (EKG-NSFW1-1)

ABOUT THE GAME

Exploding Kittens NSFW Edition is a highly strategic, kitty-powered version of Russian roulette. Players draw cards until someone draws an Exploding Kitten, at which point they explode, are dead, and are out of the game unless they have a Defuse card. The NSFW version contains the full game with artwork too explicit for the original game, designed for ages 17+.

PACKAGE CONTENTS

- 56 Cards
- 1 Instruction Manual

GAME SETUP

1. Remove all Exploding Kittens (except one less than the number of players) and all Defuse cards from the deck.
2. Shuffle the remaining cards and deal 7 cards face down to each player.
3. Deal 1 Defuse card to each player. Players should now have 8 cards in hand.
4. Insert the remaining Exploding Kittens back into the Draw Pile, ensuring there is one less Exploding Kitten than the number of players.

5. Insert the remaining Defuse cards back into the Draw Pile.
6. Shuffle the Draw Pile thoroughly.
7. Place the Draw Pile face down in the center of the playing area.
8. The last player to shuffle the cards goes first.

GAMEPLAY

On your turn, you can play as many cards as you like from your hand, or none at all. To end your turn, you must draw one card from the Draw Pile.

Card Types and Actions

- **Exploding Kitten:** If you draw this card, you immediately lose unless you have a Defuse card. Show this card immediately.
- **Defuse:** Play this card to prevent exploding. Place the Exploding Kitten back into the Draw Pile anywhere you like, secretly.
- **Attack:** End your turn without drawing a card and force the next player to take 2 turns.
- **Skip:** End your turn without drawing a card.
- **Favor:** Force any other player to give you 1 card from their hand.
- **Shuffle:** Shuffle the Draw Pile without viewing the cards until told to stop.
- **See the Future:** Privately peek at the top 3 cards of the Draw Pile.
- **Nope:** Stop any action except for an Exploding Kitten or a Defuse card. Can be played at any time.

Winning the Game

The last player alive wins the game.

CARE AND STORAGE

To ensure the longevity of your Exploding Kittens NSFW Edition cards, store them in their original box in a cool, dry place away from direct sunlight. Avoid bending or creasing the cards during gameplay. If cards become dirty, gently wipe them with a dry, soft cloth. Do not use liquids or abrasive cleaners.

COMMON QUESTIONS

What if we run out of cards?

If the Draw Pile runs out, continue playing with the cards in players' hands. The game ends when only one player

remains.

What if a rule is unclear?

The official rulebook provides detailed instructions. For further clarification, refer to the Exploding Kittens official website or community forums.
