Glovion 4335398700

Glovion Mini Clip Fan

INSTRUCTION MANUAL

Introduction

Welcome to your new Glovion Mini Clip Fan. This manual provides essential information for the safe and efficient use of your fan.

The Glovion Mini Clip Fan is a versatile, rechargeable, dual-head fan designed for portability and flexible cooling. It features soft blades for safety and a flexible neck for adjustable airflow, making it ideal for various environments such as strollers, desks, and travel.

Safety Information

Important Safety Instructions

- Read all instructions before using the fan.
- Keep the fan away from water or moisture.
- Do not insert fingers or any objects into the fan blades or motor housing.
- Do not attempt to disassemble or repair the fan yourself. Contact customer support for assistance.
- Use only the provided USB cable for charging.
- Ensure the fan is placed on a stable surface or securely clipped before operation.
- This fan is not a toy. Keep out of reach of small children.

Package Contents

What's Included

- 1x Glovion Dual Arm Clip Fan
- 1x Micro USB Cable
- 1x Warranty Card

Product Features

Key Features

- **Lightweight and Portable:** Weighing only 3.8 oz, ideal for travel and outdoor activities.
- **Safe Soft Blades:** Designed to prevent injury, suitable for use around babies and children.
- **Rechargeable Battery Operated:** Convenient USB charging via power bank, computer, or USB adapter.
- **Flexible Neck Design:** 360-degree flexible arms allow for multi-directional airflow.
- **Dual Head Cooling:** Two fan heads can be controlled independently.

360° Flexible

Made of Free Twisted tube,
which can be 360°rotated.

This image shows the Glovion Mini Clip Fan with its flexible arms bent in various directions, highlighting its 360-degree rotation capability for customized airflow.

Setup

Initial Setup and Charging

1. **Unpack:** Carefully remove all components from the packaging.
2. **Initial Charge:** Before first use, charge the fan for more than 2 hours.
 - Connect the micro USB cable to the fan's charging port and the other end to a USB power source (e.g., USB charger, computer, power bank).
 - While charging, a red indicator light will be on.
 - The red light will turn off, and a blue light will illuminate when fully charged.

USB Charging

Apply powered by USB charger,
Universal micro USB interface,
notebook PC USB,
Mobile phone adapter,
Car USB and etc.

Via USB charger

Via car charger

Via computer

Via power bank

Operating Instructions

Using Your Glovion Mini Clip Fan

1. **Power On/Off:** Locate the power button on the fan base. Press once to turn on, press again to cycle through speeds, and press a final time to turn off.
2. **Independent Fan Control:** The dual fan heads can be controlled separately. You can power on one fan head while the other is off, or have both operating simultaneously.
3. **Adjusting Airflow:** Utilize the 360-degree flexible arms to position each fan head to direct airflow precisely where needed.
4. **Mounting:** Use the integrated clip to attach the fan to various surfaces like strollers, desks, shelves, or car visors. Alternatively, place it on a flat surface as a desk fan.

A close-up view of the Glovion Mini Clip Fan, emphasizing its dual fan heads and the 'USB ENABLED' and 'Dual Heads' icons, indicating its functionality.

Maintenance

Care and Maintenance

- **Cleaning:** Gently wipe the fan's exterior with a soft, dry cloth. Do not use abrasive cleaners or immerse the fan in water.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place. Ensure it is fully charged before storing to prolong battery life.
- **Battery Care:** To maintain battery health, avoid completely draining the battery frequently. Recharge when the fan's performance noticeably decreases.

Troubleshooting

Common Issues and Solutions

Problem	Possible Cause	Solution
Fan does not turn on	Battery is depleted	Charge the fan for at least 2 hours.
Fan does not charge	USB cable or power source issue	Ensure the USB cable is securely connected. Try a different USB port or power adapter.
Weak airflow	Low battery or obstruction	Charge the fan. Ensure fan blades are clear of obstructions.
Fan makes unusual noise	Obstruction or damage	Turn off the fan immediately. Check for any obstructions. If noise persists, discontinue use and contact support.

Warranty and Support

Warranty Information

Your Glovion Mini Clip Fan comes with a warranty card included in the package. Please refer to the warranty card for details regarding coverage and terms.

For technical support, warranty claims, or any questions, please contact Glovion customer service through the retailer where you purchased the product or visit the official Glovion website.
