

HOME IT 420

HOME IT Wooden Clothes Drying Rack User Manual

Model: 420 | Brand: HOME IT

INTRODUCTION

Thank you for choosing the HOME IT Wooden Clothes Drying Rack. This manual provides essential information for the safe and efficient use of your new collapsible bamboo laundry drying rack. Designed for durability and convenience, this rack offers an eco-friendly solution for drying clothes indoors or outdoors, helping to save energy and extend the life of your garments.

SETUP

The HOME IT Wooden Clothes Drying Rack comes pre-assembled. No tools are required for setup. To prepare the rack for use, gently pull the top sections apart to extend the rack into its stable A-frame shape. Ensure all support bars are securely in place for optimal stability.

Video: A user demonstrates the simple process of unfolding the bamboo clothes drying rack for immediate use.

OPERATING

To use the drying rack, carefully drape clothing items over the horizontal bamboo rods. Distribute the weight evenly across the rack to maintain stability and prevent tipping. The rack features multiple bars on different levels, providing ample space for various garment sizes. This rack is designed to hold up to 35 pounds of wet laundry.

MAINTENANCE

To clean the bamboo surface, wipe with a damp cloth and mild soap. Dry thoroughly immediately after cleaning to prevent water damage. Avoid prolonged exposure to direct sunlight or extreme moisture, which can affect the wood's integrity. Periodically check all screws and joints for tightness and tighten them with a screwdriver if necessary to ensure continued stability and safe operation.

TROUBLESHOOTING

- **Rough Spots or Splinters:** If you notice any rough areas or splinters on the bamboo, gently sand the affected area

with fine-grit sandpaper until smooth. This helps prevent snagging delicate clothing.

- **Wobbly Rack:** Ensure the rack is fully extended and all connecting points are properly aligned. Check for any loose screws and tighten them with a screwdriver. Uneven weight distribution can also cause wobbling; redistribute clothes evenly across the bars.

SPECIFICATIONS

Feature	Detail
Material	Bamboo
Product Dimensions (D x W x H)	14.5"D x 29.5"W x 41.75"H
Item Weight	4 Pounds
Weight Limit	35 Pounds
Special Features	Collapsible, Lightweight, Portable, Space Saving
Assembly	No assembly required
