Sudopo Scorpion Table Top Desk Cigar Cutter

Sudopo Scorpion Table Top Cigar Cutter User Manual

Model: Scorpion Table Top Desk Cigar Cutter

1. Introduction

Thank you for choosing the Sudopo Scorpion Table Top Cigar Cutter. This precision instrument is designed to provide clean and accurate cuts for various cigar sizes, offering both guillotine (straight cut) and V-cut options. Constructed from durable stainless steel with an elegant silver finish, this cutter is built for reliable, long-lasting performance. Please read this manual thoroughly before initial use to ensure proper operation and maintenance.

2. Setup

The Sudopo Scorpion Table Top Cigar Cutter requires minimal setup. Follow these steps to prepare your cutter for use:

1. **Unpack:** Carefully remove the cigar cutter from its packaging. Inspect for any signs of damage during transit.
2. **Placement:** Place the cutter on a stable, flat surface. Ensure there is adequate space around the device for safe operation.
3. **Initial Cleaning:** Before first use, wipe down the cutting surfaces and exterior with a soft, damp cloth to remove any manufacturing residues. Dry thoroughly.

3. Operating Instructions

The Sudopo Scorpion Table Top Cigar Cutter offers both straight (guillotine) and V-cut options. Always ensure your fingers are clear of the cutting blades during operation.

3.1. Guillotine (Straight) Cut

Use the circular holes for a straight cut. The cutter features four different sizes to accommodate various cigar ring gauges.

1. **Select Size:** Identify the circular hole that best fits the ring gauge of your cigar.
2. **Insert Cigar:** Gently insert the cap of the cigar into the chosen hole. Ensure the cigar is held firmly and straight.
3. **Operate Lever:** With one hand holding the cigar steady, firmly pull down the operating lever with the other hand. The blade will descend, making a clean, straight cut.
4. **Release:** Once the cut is complete, release the lever to return it to its upright position. Remove the cigar.

3.2. V-Cut

The V-shaped slot is designed to create a precise V-cut, which can enhance the draw of certain cigars.

1. **Insert Cigar:** Carefully insert the cap of your cigar into the V-shaped slot. Ensure the cigar is centered and held securely.
2. **Operate Lever:** Firmly pull down the operating lever. The V-blade will descend, creating a clean V-cut in the cigar cap.
3. **Release:** Release the lever to return it to its upright position. Remove the cigar.

4. Maintenance

Proper maintenance will ensure the longevity and optimal performance of your Sudopo Scorpion Table Top Cigar Cutter.

- **Cleaning:** After each use, gently brush away any tobacco remnants from the cutting blades and holes. For a more thorough cleaning, wipe the entire unit with a soft, damp cloth.
- **Hand Wash Only:** This product is designed for hand washing only. Do not place it in a dishwasher, as this can damage the finish and moving parts.
- **Drying:** Always dry the cutter thoroughly after cleaning to prevent water spots or corrosion, especially on the stainless steel blades.
- **Lubrication (Optional):** Periodically, a small amount of food-grade lubricant can be applied to the shafts where the springs operate to ensure smooth lever action. Wipe off any excess lubricant.
- **Storage:** Store the cutter in a dry environment away from extreme temperatures.

5. Troubleshooting

If you encounter any issues with your cigar cutter, refer to the following common problems and solutions:

- **Unclean or Jagged Cuts:**
  - Ensure the cigar is inserted straight and held firmly.
  - Apply firm and consistent pressure when pulling the lever down.

- Clean any accumulated tobacco residue from the blades.

- **Lever Sticking or Difficult to Operate:**
  - Clean the mechanism thoroughly to remove any debris.
  - Apply a small amount of food-grade lubricant to the moving parts, particularly the shafts where the springs are located.

- **Missing Components Upon Arrival:**
  - If any parts are missing or damaged upon delivery, contact the retailer or manufacturer immediately for assistance.

6. Specifications

Feature	Detail
Brand	Sudopo
Model	Scorpion Table Top Desk Cigar Cutter
Material	Stainless Steel
