Ibiza Protective Cover (Model 15-6042) User Manual

For Ibiza PORT15UHF-BT-WH Portable Speaker

Brand: Ibiza | Model: 15-6042

1. PRODUCT OVERVIEW

This manual provides instructions for the Ibiza Protective Cover, model 15-6042. This cover is specifically designed to protect your Ibiza PORT15UHF-BT-WH portable speaker from splashes and scratches during transport and storage. Constructed from durable polyester foam, it offers a snug fit and includes practical features for ease of use.

Image Description: A black protective cover, branded "Ibiza SOUND", fitted over a portable speaker with its retractable handle extended from the top.

2. SAFETY INFORMATION

- Ensure the cover is dry before storage to prevent mold or mildew.
- Do not expose the cover to extreme heat or open flames.
- Keep out of reach of small children.
- This cover is designed for protection against minor impacts, splashes, and scratches. It is not waterproof and does not guarantee protection against severe damage.

3. PACKAGE CONTENTS

Please verify that all items are present:

- 1 x Ibiza Protective Cover (Model 15-6042)

4. INSTALLATION INSTRUCTIONS

1. **Prepare the Speaker:** Ensure your Ibiza PORT15UHF-BT-WH portable speaker is powered off and any cables are disconnected.
2. **Position the Cover:** Orient the protective cover so that the "Ibiza SOUND" logo faces the front of the speaker.
3. **Slide On:** Carefully slide the cover over the top of the speaker, guiding it down until it fully encases the speaker body.
4. **Access Handle:** Locate the slot on the top of the cover. If your speaker has a retractable handle, extend it through this slot for easy transport.
5. **Utilize Side Pocket:** The cover features a convenient side pocket. Use this to store small accessories such as cables or microphones.

Image Description: A close-up view of the top of the black protective cover, showing the opening designed for the speaker's retractable handle.

5. Usage

The Ibiza Protective Cover is designed for simple, effective use.

- **Transport:** When transporting your speaker, ensure the cover is fully fitted to provide maximum protection against bumps and scratches.
- **Storage:** For long-term storage, the cover helps keep dust and dirt away from your speaker.
- **Access:** The design allows for the speaker's retractable handle to be used while the cover is on. The side pocket provides quick access to small items.

6. Care and Maintenance

To ensure the longevity of your protective cover:

- **Cleaning:** Wipe the cover with a damp cloth and mild soap if it becomes dirty. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Allow the cover to air dry completely before storing or placing it back on the speaker.
- **Storage:** Store the cover in a cool, dry place when not in use.
- **Inspection:** Periodically inspect the cover for any signs of wear or damage.

7. Troubleshooting

Cover Does Not Fit Properly

Issue: The cover seems too tight or too loose.

Solution:

- Verify that you have the correct model cover (Model 15-6042) for your speaker (Ibiza PORT15UHF-BT-WH).
- Ensure the speaker is positioned correctly before attempting to slide the cover on.

Damage to Cover

Issue: The cover has rips or tears.

Solution:

- Minor tears may be repaired with fabric adhesive. For significant damage, consider replacing the cover to ensure adequate protection for your speaker.
