- **Interactive Pages:** Features big, easy-to-turn pages with 6 classic nursery rhymes.
- **Learning Modes:** Includes two modes of play: a learning mode for vocabulary and a music mode for songs and instrument sounds.
- **Fine Motor Skills:** Sliding and twisting play pieces help develop fine motor skills.
- **Musical Interaction:** Five colorful piano buttons introduce colors and instruments.
- **Visual Stimulation:** Brightly colored pages and a light-up Star that flashes with sounds enhance visual engagement.

SETUP

Battery Installation

The VTech Musical Rhymes Book requires 2 AAA batteries for operation. Batteries are included for demo purposes, but new batteries are recommended for regular use.

1. Locate the battery compartment on the back of the book.
2. Using a screwdriver, open the battery compartment cover.

3. Insert 2 new AAA batteries, ensuring correct polarity (+/-).
4. Replace the battery compartment cover and secure it with the screw.

Power On/Off and Volume Control

The book features a power switch and volume control for user convenience.

- Locate the green power switch on the spine of the book.
- Slide the switch to the "On" position to activate the book.
- The switch also allows adjustment between two volume levels or to turn the unit off.

OPERATING INSTRUCTIONS

Selecting Play Modes

The VTech Musical Rhymes Book offers two distinct play modes:

- **Learning Mode:** In this mode, the book introduces age-appropriate vocabulary and concepts related to the rhymes and illustrations.
- **Music Mode:** This mode plays music and instrument sounds, encouraging musical exploration.
- Toggle between modes using the switch located near the power button.

Interacting with Pages

Each page of the book is designed for interactive play:

Image: The book open to "A-Tisket, A-Tasket" and "Little Boy Blue" pages, with interactive elements visible.

Turn the
pages to
explore!

Image: The book open to "Are You Sleeping?" and "Here We Go Round the Mulberry Bush" pages, showing movable parts.

- **Turning Pages:** Gently turn the large, durable pages to explore different nursery rhymes. The book will

respond with sounds and phrases relevant to the current page.

- **Interactive Elements:** Slide and twist the fun play pieces embedded on each page to activate sounds and enhance motor skills.
- **Piano Keys:** Press the five colorful piano keys on the side of the book to hear piano sounds and learn about colors and instruments.
- **Light-up Star:** The light-up star on the spine of the book flashes along with the sounds, providing visual feedback.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the surface of the book with a slightly damp cloth. Do not immerse the book in water.
- **Storage:** Store the book in a cool, dry place away from direct sunlight and moisture.
- **Battery Care:** Remove batteries if the book will not be used for an extended period to prevent leakage. Dispose of old batteries responsibly.
- **Durability:** The book is designed for durability, but avoid dropping it from high places or applying excessive force to the pages or interactive elements.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Book does not turn on or respond.	Low or dead batteries; incorrect battery polarity; power switch is off.	Ensure power switch is in the "On" position. Replace batteries with new ones, checking polarity.
Sounds are distorted or too low.	Low batteries; volume set too low.	Replace batteries. Adjust the volume switch to a higher setting.
Interactive elements (sliding/twisting) do not work.	Mechanism might be stuck or damaged.	Gently check for any obstructions. If damaged, contact customer support.
