### Zinus AZ-CMM-1000Q

# ZINUS 10 Inch Cloud Memory Foam Mattress Queen - Instruction Manual

Model: AZ-CMM-1000Q | Brand: Zinus

## INTRODUCTION

The ZINUS 10 Inch Cloud Memory Foam Mattress offers a plush, luxurious feel designed for pressure relief and customized sleep. This mattress features a unique combination of foam layers, infused with green tea and natural charcoal for freshness. It is CertiPUR-US certified for durability and content, and the cover is OEKO-TEX Standard 100 certified, ensuring environmental friendliness. The mattress is conveniently compressed and shipped in a box for easy delivery and setup.

## SETUP

### Unboxing and Expansion

Your ZINUS mattress arrives efficiently compressed in one box. For optimal expansion, follow these steps:

1. Carefully remove the mattress from its packaging.
2. Place the rolled mattress on a flat, sturdy surface, such as a platform bed, foundation, or bed frame.
3. Unroll the mattress and carefully cut open the plastic wrapping.
4. Allow 24 to 72 hours for the mattress to fully regain its shape and size. Expansion time may vary based on room temperature; warmer rooms facilitate faster expansion.
5. The mattress is ready for use once fully expanded.

Video: This video provides an overview of the manufacturing and packaging process of ZINUS foam mattresses, demonstrating how they are compressed and rolled for shipping.

## OPERATING

The ZINUS Cloud Memory Foam Mattress is designed to provide a comfortable and supportive sleep surface. Its memory foam layers conform to your body, offering pressure relief. The plush microfiber quilted jacquard cover enhances the cloud-like feel.

### Key Features:

- Green Tea and Activcharcoal Infusion:** Infused for freshness and resistance against odor-causing agents.
- Cloud-like Luxury:** Cradling memory foam and plush microfiber create a soft, luxurious feel.

- **Supportive Foams:** Composed of a 2-inch plush microfiber and foam quilted top, 1.5-inch conforming memory foam, 2-inch soft comfort foam, and 4.5-inch durable, high-density base support foam. Ideal for side sleepers and petite to average-weight sleepers.
- **CertiPUR-US & OEKO-TEX Certified:** Foam is CertiPUR-US Certified for durability, performance, and content. The cover meets OEKO-TEX Standard 100 certification standards.

## MAINTENANCE

---

### Cleaning Instructions

The mattress cover should **not** be removed as it serves as a fire safety barrier and its removal may void the warranty. For cleaning, spot clean only. Use a mild detergent and a damp cloth to gently clean any soiled areas. Allow the area to air dry completely before covering with bedding.

### General Care

- To protect your mattress from spills and stains, consider using a mattress protector.
- Rotate your mattress every 3-6 months to ensure even wear and prolong its lifespan.

- Ensure adequate ventilation around the mattress to prevent moisture buildup.

## TROUBLESHOOTING

---

### Mattress Not Fully Expanding

If your mattress does not appear to have fully expanded after 24-72 hours, ensure it is in a warm room. Memory foam expands faster in warmer temperatures. Gently walking or crawling on the mattress can also help encourage decompression.

### Unusual Odor

A new mattress may have a slight odor upon unboxing, which is normal for compressed foam products. This 'new mattress smell' is harmless and typically dissipates within a few days in a well-ventilated room.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	80 x 60 x 10 inches (80"L x 60"W x 10"Th)
Item Weight	48 pounds
Manufacturer	Zinus
Item Model Number	AZ-CMM-1000Q
Thickness	10 Inches
Fabric Type	Green Tea and Activcharcoal-infused Memory Foam With a Plush, Microfiber Quilted Jacquard Cover
Fill Material	Memory Foam
Item Firmness Description	Plush
Maximum Recommended Load	500 Pounds (Queen size)
