## AEE S60 Plus

# AEE S60 Plus Action Camera User Manual

Model: S60 Plus

## 1. INTRODUCTION

The AEE S60 Plus Action Camera is designed for capturing high-quality video and photos in various dynamic environments. It features Full 1080P HD video recording at 60 frames per second, 16-megapixel still image capture, and advanced shooting modes like burst and time-lapse. The camera includes a modular 2-inch TFT LCD screen for convenient viewing and playback, and is Wi-Fi enabled for seamless connectivity with mobile devices. Its robust design, complemented by an included waterproof case, makes it suitable for action sports and underwater activities.

## 2. PACKAGE CONTENTS

Upon opening your AEE S60 Plus Action Camera package, please verify that all the following items are included:

- AEE S60 Plus Action Camera
- Detachable 2-inch LCD TFT Screen
- IP68 Waterproof Housing
- Quick Release Buckle
- Flat 3M Adhesive Mount
- Curved 3M Adhesive Mount
- Anti-Fog Inserts
- USB Charging Cable (Mini 10-pin)
- Hand Strap
- Lithium Ion Battery (pre-installed or separate)

Image: The AEE S60 Plus Action Camera, its waterproof housing, detachable LCD screen, various mounts, cables, and documentation, all neatly arranged beside the product packaging.

### 3. PRODUCT OVERVIEW

Familiarize yourself with the main components and controls of your AEE S60 Plus Action Camera.

*Image: Front view of the AEE S60 Plus Action Camera. Visible features include the main lens, the green power/mode button, and two small indicator lights at the top left. The "AEE S60 Plus" logo is printed on the front.*

*Image: An angled view of the AEE S60 Plus Action Camera, highlighting the front lens, the power button, and the top-mounted control buttons. The side of the camera reveals ports for connectivity.*

*Image: Rear view of the AEE S60 Plus Action Camera, showing the integrated 2-inch TFT LCD display. This screen allows for live view, playback, and menu navigation.*

## 4. SETUP

### 4.1. Battery Installation and Charging

1. Locate the battery compartment on the camera.
2. Insert the included Lithium Ion battery, ensuring correct polarity.
3. Close the battery compartment securely.
4. Connect the camera to a USB power source using the provided USB charging cable. The charging indicator light will illuminate.
5. A full charge typically takes approximately 3 hours.

### 4.2. Micro SD Card Insertion

- The AEE S60 Plus supports Micro SD cards up to 64GB (Class 10 or higher recommended for optimal performance).
- With the camera powered off, open the Micro SD card slot cover.
- Insert the Micro SD card with the gold contacts facing down until it clicks into place.
- To remove, gently push the card in until it springs out.

### 4.3. Attaching the LCD Screen

The 2-inch TFT LCD screen is detachable. Align the connectors on the screen with the corresponding port on the back of the camera and gently push until it clicks into place. To remove, press the release button (if present) and slide the screen

off.

#### 4.4. Using the Waterproof Housing

The included IP68 waterproof housing allows the camera to be used underwater up to 131 feet (40 meters).

1. Ensure the camera is clean and dry before placing it inside the housing.
2. Open the latch on the waterproof housing and carefully insert the camera.
3. Close the latch firmly, ensuring a tight seal.
4. Before first use in water, it is recommended to test the housing without the camera inside to ensure it is watertight.

*Image: The AEE S60 Plus Action Camera securely mounted on a chest harness, demonstrating a typical use case for capturing point-of-view footage during activities.*

### 5. OPERATING INSTRUCTIONS

#### 5.1. Powering On/Off

- To power on: Press and hold the power/mode button (green button on the front) for a few seconds until the indicator lights illuminate and the screen turns on.
- To power off: Press and hold the power/mode button again until the camera shuts down.

## 5.2. Mode Selection

Briefly press the power/mode button to cycle through different modes: Video Recording, Photo Capture, Burst Photo, and Time-Lapse. The current mode will be displayed on the LCD screen.

## 5.3. Recording Video / Capturing Photos

- In Video Recording mode, press the Shutter/OK button (top button) to start recording. Press again to stop.
- In Photo Capture mode, press the Shutter/OK button to take a single photo.
- For Burst Shooting, select the Burst mode and press the Shutter/OK button. The camera will capture multiple photos in quick succession (up to 8 photos/sec).
- For Time-Lapse, select the Time-Lapse mode and configure the interval settings in the menu. Press the Shutter/OK button to start/stop.

## 5.4. Wi-Fi Connectivity and Mobile App

The AEE S60 Plus features built-in Wi-Fi, allowing you to connect to a mobile device using the free AEE mobile application (available for iOS and Android).

1. Enable Wi-Fi on the camera through the settings menu.
2. On your mobile device, search for the camera's Wi-Fi network and connect to it.
3. Open the AEE mobile app. You can now preview your shot, control recording, adjust settings, and playback footage directly from your phone or tablet.

## 5.5. Advanced Features

- **Digital Zoom:** Utilize the zoom function through the camera's menu or mobile app to adjust your field of view.
- **180 Degree Image Flip:** This setting allows you to record footage upside down and have the camera automatically correct the orientation, useful for various mounting positions.
- **Viewing Angle:** The camera offers a wide 130-degree viewing angle, capturing more of the scene.

## 6. MAINTENANCE

---

### 6.1. Cleaning

- **Camera Body:** Use a soft, dry, lint-free cloth to wipe the camera body. For stubborn dirt, slightly dampen the cloth with water. Avoid harsh chemicals.
- **Lens:** Use a specialized lens cleaning cloth and lens cleaning solution. Gently wipe in a circular motion. Do not touch the lens with your fingers.
- **Waterproof Housing:** After use in saltwater, rinse the housing thoroughly with fresh water and allow it to air dry. Ensure no sand or debris is trapped in the seals.

### 6.2. Battery Care

- Store batteries in a cool, dry place.
- Avoid fully discharging the battery frequently.
- If storing for extended periods, charge the battery to about 50% capacity.

### 6.3. Storage

When not in use, store the camera and its accessories in a protective case or bag to prevent dust and damage. Remove the battery if storing for a long duration.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Camera does not power on.	Battery is depleted or not inserted correctly.	Charge the battery fully. Ensure the battery is inserted with correct polarity.
Cannot record video/take photos.	Micro SD card is full, corrupted, or not inserted.	Insert a Micro SD card. Format the card (this will erase all data). Delete unnecessary files to free up space.
Wi-Fi connection issues.	Wi-Fi not enabled on camera, incorrect password, or interference.	Ensure Wi-Fi is enabled on the camera. Re-enter the Wi-Fi password. Move closer to the camera. Restart both camera and mobile device.
Poor image/video quality.	Lens is dirty, low light conditions, or incorrect settings.	Clean the camera lens. Ensure adequate lighting. Check resolution and frame rate settings.
Camera freezes or becomes unresponsive.	Software glitch or battery issue.	Remove and reinsert the battery to perform a hard reset. Ensure firmware is up to date (check AEE website).

## 8. SPECIFICATIONS

Feature	Detail
Model	S60 Plus
Video Resolution	1080P at 60FPS, 720P at 120FPS (slow-motion)
Photo Resolution	16 MP, 12 MP, 5 MP
Viewing Angle	Up to 130 degrees
Digital Zoom	10X
Display	Detachable 2-inch TFT LCD Screen
Waterproof Depth	Up to 131 ft (40 meters) with housing
Storage	Supports Micro SD card up to 64GB
Connectivity	Wi-Fi, USB (Mini 10-pin)
Battery Capacity	1250mAh Lithium Ion
Recording Time	Up to 3 hours (approx.)
Dimensions (Camera only)	Approx. 1.25 inches thin profile
Weight (Camera only)	Approx. 0.16 lbs (72.5 grams)
Video Format	MP4

Feature	Detail
Audio Format	WAV
Photo Sensor Technology	CMOS
Maximum Aperture	F2.4

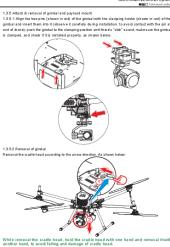

## 9. WARRANTY AND SUPPORT

For warranty information, technical support, or service inquiries regarding your AEE S60 Plus Action Camera, please refer to the warranty card included in your product packaging or visit the official AEE Technology website. You may also contact AEE customer support directly for assistance.

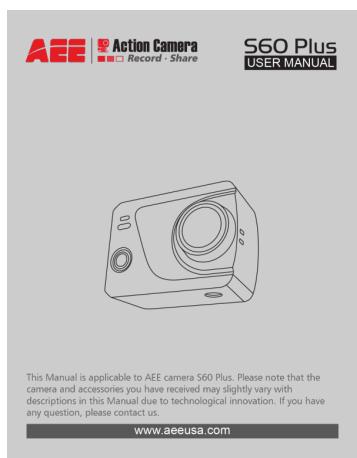

Please retain your proof of purchase for any warranty claims.
