SONGMICS ULSF03G

SONGMICS Portable Closet Wardrobe Instruction Manual

Model: ULSF03G
Brand: SONGMICS

1. Introduction

Thank you for choosing the SONGMICS Portable Closet Wardrobe. This manual provides detailed instructions for the assembly, operation, and maintenance of your new closet. Please read it thoroughly before beginning assembly and keep it for future reference.

Figure 1: SONGMICS Portable Closet Wardrobe (Grey)

The SONGMICS Portable Closet Wardrobe is designed to offer a compact and efficient storage solution for your clothes and accessories. Featuring a durable metal frame, non-woven fabric cover, and multiple compartments, it helps keep your space organized and dust-free.

2. Safety Information

Please observe the following safety precautions:

- Do not expose the product to direct sunlight.
- Please remove all clothes before moving the closet.
- Keep spare parts in a safe place and replace any missing or broken parts immediately to avoid safety hazards.
- Ensure the closet is placed on a flat, stable surface to prevent tipping.
- Do not overload the shelves or hanging rail. The hanging rail holds up to 33 lb (15 kg) and each shelf holds up to 11 lb (5 kg).

3. Package Contents

Before assembly, ensure all parts are present and undamaged. The package should contain:

- 1 x Fabric Closet Cover
- Metal Tubes (various lengths for frame and rails)
- PP Plastic Connectors
- Fabric Shelves
- 1 x Instructions Manual

Video 2: Official SONGMICS Assembly Guide for the Portable Closet Wardrobe.

1. **Assemble the Base:** Connect the shortest metal tubes (Part H40) and the slightly longer tubes (Part H33) using the plastic corner connectors (Part C16) and T-connectors (Part A16) to form the base frames for the shelves. Ensure all connections are secure.
2. **Attach Fabric Shelves:** Slide the fabric shelves (Part J1, J2) onto the assembled frames. Ensure they are taut and level.
3. **Build Upright Sections:** Continue adding vertical metal tubes (Part H75) and connecting them with appropriate plastic connectors (Part C16, A16, B16) to build the side and middle upright sections of the closet.
4. **Install Hanging Rail:** Insert the long metal rail (Part H79) into the designated connectors at the top of the central section.
5. **Place Top Frame:** Assemble the top frame using metal tubes and connectors, then place it securely on top of the upright sections.
6. **Apply Fabric Cover:** Carefully drape the non-woven fabric cover over the entire assembled frame. Ensure the zippers are unzipped before placing the cover.
7. **Secure Cover:** Tie the bottom straps of the cover to the base frame and zip up the front panels to enclose the closet.

4.3. Sturdiness and Portability

5. Operating Instructions

The SONGMICS Portable Closet Wardrobe is designed for versatile use:

- **Hanging Clothes:** Utilize the central hanging rail for coats, dresses, shirts, and other garments that require hanging to remain wrinkle-free.
- **Shelf Storage:** The 12 compartments provide ample space for folded clothes, bed linens, bags, shoes, and other accessories.

Figure 4: Spacious and Versatile Interior

5.1. Fabric Cover Operation

The non-woven fabric cover offers privacy and protection from dust:

- **Zip It Up:** Use the smooth zippers to fully close the front panels, keeping your items concealed and protected.
- **Keep It Open:** Roll up the front panels and secure them with the hook-and-loop fasteners at the top for easy access and an open display.

Video 4: Demonstrates the zippered compartments and how to roll up the cover for access.

6. Maintenance

To ensure the longevity and appearance of your SONGMICS Portable Closet Wardrobe:

- **Cleaning:** Wipe the fabric cover and metal tubes with a dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Stability Check:** Periodically check all connections to ensure they remain tight and secure.

7. Troubleshooting

If you encounter any issues with your portable closet, consider the following:

- **Instability/Collapse:** Ensure all metal tubes are fully inserted into the plastic connectors. Overloading can cause instability; redistribute weight evenly and do not exceed stated weight limits (33 lb for hanging rail, 11 lb per shelf).
- **Missing/Damaged Parts:** Refer to the package contents list. If parts are missing or damaged upon arrival, contact customer support immediately.
- **Fabric Tears:** While the non-woven fabric is durable, avoid sharp objects and excessive force. Small tears can sometimes be repaired with fabric adhesive or tape.

8. Specifications

Feature	Detail
Model Number	ULSF03G
Dimensions (L x W x H)	59 x 17.7 x 69 inches (150 x 45 x 175 cm)
Item Weight	11.7 pounds (5.3 kg)
Material	120 g/m² Non-Woven Fabric, 16 mm Metal Tube, PP Plastic Connector
Hanging Rail Capacity	Up to 33 lb (15 kg)
Each Shelf Capacity	Up to 11 lb (5 kg)
