The Honest Company Clean Conscious Multi-Use Wipes Instruction Manual

Model: 817810014680

1. Introduction

Thank you for choosing The Honest Company Clean Conscious Multi-Use Wipes. These wipes are designed for versatility and gentle care, suitable for various cleaning needs from baby care to household surfaces. They are formulated with over 99% water and plant-based materials, making them hypoallergenic, unscented, and compostable.

This manual provides essential information for the proper use, storage, and disposal of your wipes to ensure optimal performance and safety.

2. Product Overview

The Honest Company Clean Conscious Multi-Use Wipes are crafted with the following key features:

- **Compostable and Plant-Based:** Made with plant-based materials, these wipes are designed to disintegrate in 8 weeks under specific composting conditions.
- **Gentle Formulation:** Contains over 99% purified water and only 7 transparent, toxicologist-audited ingredients.
- **Hypoallergenic and Fragrance-Free:** Dermatologist-tested and recognized with the National Eczema Association Seal of Acceptance, making them suitable for sensitive skin.
- **Ultra-Durable and Extra Thick:** Engineered for effective cleaning without tearing.
- **Free From Harmful Chemicals:** Made without plastic cloth/fabric, fragrances, parabens, alcohol, and chlorine processing.

4. Operating Instructions

These multi-use wipes are designed for a variety of cleaning tasks. Use them as needed for:

- Diaper changes for infants.
- Cleaning hands and faces before or after meals.
- Quick clean-ups during travel or after workouts.
- Wiping down household surfaces, toys, or plants.

After dispensing a wipe, gently clean the desired area. The wipes are ultra-soft and quilted for effective cleaning.

5. Maintenance and Storage

To maintain the quality and moisture of your wipes:

- **Reseal Properly:** After each use, close the flip-top lid firmly to prevent the wipes from drying out.
- **Storage Conditions:** Store the wipes at room temperature, away from direct sunlight or extreme heat, which can affect moisture content.

6. Safety Information

Please observe the following safety guidelines:

- **External Use Only:** These wipes are intended for external use only.
- **Discontinue Use if Irritation Occurs:** If prolonged irritation or redness develops, discontinue use immediately.

- **Choking Hazard:** To avoid the risk of choking or suffocation, keep wipes and packaging away from children.

8. Disposal (Composting)

These wipes are compostable and designed to disintegrate in 8 weeks, following Modified ISO 20200 standards for home composting conditions. However, specific guidelines apply:

- **Do Not Flush:** These wipes are not flushable. Dispose of them in a waste bin or compost according to guidelines.
- **Home Composting:** Do not compost wipes if they have been used to clean non-compostable items like human/animal waste or mixed with cleaning soaps/sprays. Wipes should generally not exceed 10% of your compost heap.
- **Municipal Composting:** Always check for the availability and acceptance of municipal or institutional composting facilities in your area, as they may have specific requirements or limitations.
