Divano Roma Furniture Small Space Modern Sectional Sofa

Divano Roma Furniture Small Space Modern Sectional Sofa Instruction Manual

Model: Small Space Modern Sectional Sofa | Brand: Divano Roma Furniture

1. INTRODUCTION

Thank you for choosing the Divano Roma Furniture Small Space Modern Sectional Sofa. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new furniture. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assembly should be performed by at least two adults to prevent injury and ensure proper construction.
- Keep small parts and packaging materials away from children and pets to avoid choking hazards.
- Place the sofa on a level, stable surface.
- Do not stand on the sofa or use it as a step stool.
- Adhere to the maximum weight limit of 250 pounds.

3. PACKAGE CONTENTS

Verify that all the following components are included in your package:

- Sofa Base (main frame)
- Chaise Base
- Back Cushions (3)
- Seat Cushions (3)
- Detachable Aluminum Legs (6)
- Assembly Hardware (screws, washers, nuts, Allen wrench)
- Decorative Pillows (2)

If any items are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Minor assembly is required. It is recommended that two people assemble this sofa.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Attach Legs to Armrests:** Locate the six aluminum legs. Attach the legs to the designated points on the sofa's armrests and chaise base. Ensure they are securely tightened. The legs are designed to be attached to the armrests, not directly to the bottom base of the sofa.
3. **Connect Sofa and Chaise Bases:** Position the sofa base and chaise base next to each other in your desired configuration (left or right chaise). The sides connect using a topless screw mechanism. Insert the screw from the bottom, leaving a small portion exposed. Place a washer and nut onto the exposed screw, then turn the nut to engage the self-locking mechanism and secure the two sections together.
4. **Place Cushions:** Position the seat cushions onto the sofa and chaise bases. Then, place the back cushions against the backrest.
5. **Add Decorative Pillows:** Arrange the two decorative pillows as desired.

Figure 4.2: Fully assembled sectional sofa with chaise on the left.

5. USAGE AND CONFIGURATION

This sectional sofa is designed for versatility in small spaces, allowing for multiple configurations to suit your needs.

- **Reversible Chaise:** The chaise component can be positioned on either the left or right side of the sofa to adapt to your room layout.
- **Centered Chaise:** The chaise can be placed in the center, creating a deeper seating area.
- **Detached Ottoman:** The chaise can also function as a standalone ottoman, providing flexible seating or footrest options.

4 ADJUSTABLE OPTIONS

Figure 5.1: Various adjustable configurations of the sectional sofa.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your sofa.

- **Cleaning:** The microfiber upholstery can be cleaned using a damp cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The seat and back cushions are removable, and the seat cushion covers are also removable for easier cleaning. Fluff and rotate cushions regularly to maintain their shape and extend their lifespan.
- **Frame Care:** Periodically check and tighten all assembly hardware to ensure stability.
- **UV/Fade Resistance:** While the sofa features UV/fade resistant properties, prolonged direct exposure to sunlight may still cause fading over time.

7. TROUBLESHOOTING

If you encounter any issues with your sofa, consider the following:

- **Cushion Firmness:** The cushions are designed with fiber-wrapped foam for support. If they feel too firm initially, they may soften slightly with regular use.
- **Structural Stability:** Ensure all legs are securely attached and all connection points between the sofa and chaise are tightened. If any creaking or instability occurs, re-tighten all hardware.

- **Missing Parts or Damage:** If you discover any missing parts or damage upon unboxing, do not proceed with assembly. Contact customer support immediately for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	Divano Roma Furniture
Model	Small Space Modern Sectional Sofa
Color	Grey (Light gray upholstery)
Material Type	Soft microfiber upholstery, Wood frame
Product Dimensions (D x W x H)	44"D x 72"W x 34"H
