

Brother DCP-T700W

Brother DCP-T700W Color Ink Tank Wi-Fi Multifunction Printer User Manual

Model: DCP-T700W

1. INTRODUCTION

This manual provides essential instructions for the safe and efficient operation of your Brother DCP-T700W Color Ink Tank Wi-Fi Multifunction Printer. This device is designed for printing, scanning, and copying, featuring an integrated refillable ink tank system and wireless connectivity. Please read this manual thoroughly before using the printer and keep it for future reference.

2. SAFETY INFORMATION

Observe the following safety precautions to prevent injury or damage to the printer:

- Always connect the printer to a grounded power outlet.
- Do not place the printer in areas with excessive dust, humidity, or direct sunlight.
- Keep the printer away from water or other liquids.
- Do not attempt to service the printer yourself. Refer all servicing to qualified personnel.
- Use only Brother-recommended ink and paper to ensure optimal performance and prevent damage.

3. PRODUCT OVERVIEW

Familiarize yourself with the main components of your Brother DCP-T700W printer.

Figure 3.1: Front view of the Brother DCP-T700W printer, showing the control panel, paper output tray, and integrated ink tank system on the right side.

Figure 3.2: Angled view of the Brother DCP-T700W, highlighting the Automatic Document Feeder (ADF) tray in an open position, ready for scanning or copying multiple documents.

Control Panel

The control panel allows you to operate the printer's functions. It typically includes:

- **LCD Display:** Shows status messages and menu options.
- **Menu Buttons:** Navigate through settings.
- **Start Buttons:** Initiate print, copy, or scan jobs (Color/Mono).
- **Stop/Exit Button:** Cancel operations or exit menus.
- **Wi-Fi Button:** Manage wireless network connection.

4. SETUP

4.1 Unpacking and Placement

1. Remove the printer from its packaging and remove all protective tapes and materials.
2. Place the printer on a stable, flat surface with adequate ventilation.
3. Ensure there is enough space around the printer for paper loading and output.

4.2 Filling the Ink Tanks

The DCP-T700W features an integrated ink tank system. Follow these steps to fill the tanks:

1. Open the ink tank cover located on the right side of the printer.
2. Uncap the ink bottle for the corresponding color (Black, Cyan, Magenta, Yellow).
3. Carefully pour the ink into the correct tank, ensuring not to overfill.
4. Close the ink tank cover securely.
5. Perform an initial ink charge as instructed by the printer's display or setup guide.

Note: Use genuine Brother ink bottles to prevent damage and ensure print quality.

4.3 Software and Driver Installation

1. Insert the installation CD-ROM into your computer's drive, or download the latest drivers and software from the official Brother support website.
2. Follow the on-screen instructions to complete the installation.
3. During installation, you will be prompted to choose your connection type (USB or Wireless).

4.4 Connecting to a Network (Wi-Fi)

To connect your printer to a wireless network:

1. Press the **Wi-Fi** button on the control panel.
2. Navigate to **Network** settings using the menu buttons.
3. Select **WLAN** and then **Setup Wizard**.
4. The printer will search for available networks. Select your network (SSID) from the list.
5. Enter your network password (network key) using the control panel buttons.
6. Confirm the connection. The Wi-Fi indicator light will illuminate when connected.

Alternatively, you can use the WPS (Wi-Fi Protected Setup) method if your router supports it.

5. OPERATING INSTRUCTIONS

5.1 Loading Paper

1. Open the paper tray and extend it if necessary.
2. Load paper print-side down. Adjust the paper guides to fit the paper size.
3. Close the paper tray.

The printer supports various paper types and sizes, including A4. Refer to specifications for details.

5.2 Printing Documents

1. From your computer, open the document you wish to print.
2. Select **Print** from the application's menu.
3. Choose your Brother DCP-T700W printer.
4. Adjust print settings such as paper size, orientation, color/monochrome, and duplex printing (if desired).
5. Click **Print**.

For mobile printing, use the Brother iPrint&Scan app or other compatible mobile printing services.

5.3 Scanning Documents

You can scan documents using the flatbed scanner or the Automatic Document Feeder (ADF).

Using the Flatbed Scanner:

1. Lift the scanner cover.
2. Place the document face-down on the scanner glass, aligning it with the guide marks.
3. Close the scanner cover.
4. Initiate the scan from your computer using the Brother ControlCenter software or directly from the printer's control panel.

Using the Automatic Document Feeder (ADF):

1. Load documents face-up into the ADF tray. Adjust the paper guides.
2. Ensure documents are free of staples or clips.
3. Initiate the scan from your computer or the printer's control panel.

5.4 Copying Documents

1. Place the document on the flatbed scanner or in the ADF.

- 2. On the printer's control panel, press the **Copy** button.
- 3. Use the arrow keys to select the number of copies and adjust settings like quality or zoom.
- 4. Press the **Start** (Color or Mono) button to begin copying.

6. MAINTENANCE

6.1 Checking and Refilling Ink Levels

Regularly check the ink levels in the transparent ink tanks. When a tank is low, refill it promptly to avoid print quality issues or damage to the print head. Refer to Section 4.2 for ink refilling instructions.

6.2 Cleaning the Printer

- **Exterior:** Wipe the exterior of the printer with a soft, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Scanner Glass:** Clean the scanner glass with a soft, dry cloth. For stubborn marks, use a small amount of glass cleaner applied to the cloth (not directly to the glass).
- **Print Head:** If print quality deteriorates (e.g., streaks, missing colors), perform a print head cleaning cycle from the printer's maintenance menu or through the printer driver on your computer.

7. TROUBLESHOOTING

This section addresses common issues you might encounter. For more detailed troubleshooting, refer to the Brother support website.

7.1 Print Quality Issues

- **Streaks or Faded Prints:** Check ink levels and perform a print head cleaning. Ensure you are using appropriate paper settings.
- **Incorrect Colors:** Verify that the correct ink colors are in their respective tanks. Perform a print head alignment.
- **Blank Pages:** Check ink levels. Ensure the print head is not clogged.

7.2 Paper Jams

- Turn off the printer and unplug it.
- Carefully open all covers and remove any jammed paper, pulling gently in the direction of the paper path.
- Ensure no small pieces of paper remain inside.
- Close all covers, plug in, and turn on the printer.

7.3 Connectivity Problems

- **Wi-Fi Disconnection:** Check your router and printer's Wi-Fi status. Re-establish the connection using the setup wizard. Ensure the printer is within range of your wireless router.
- **USB Connection Not Detected:** Ensure the USB cable is securely connected to both the printer and the computer. Try a different USB port or cable.

7.4 Automatic Document Feeder (ADF) Issues

- **Paper Misfeeds/Jams:** Ensure documents are loaded correctly, face-up, and within the paper guides. Remove any staples or clips.
- **Skewed Scans:** Clean the ADF rollers. Ensure documents are not wrinkled or damaged.

8. SPECIFICATIONS

Feature	Detail
Model	DCP-T700W
Functions	Print, Scan, Copy

Feature	Detail
Printing Technology	Inkjet
Connectivity	USB 2.0, Wi-Fi (802.11a)
Maximum Print Resolution (Color)	1200 dpi
Maximum Print Resolution (Black & White)	1200 dpi
Max Print Speed (Monochrome)	27 ppm
Max Print Speed (Color)	10 ppm
Duplex Printing	Automatic
Scanner Type	Sheetfed (ADF)
Maximum Media Size	A4
Ink Colors	Black, Cyan, Magenta, Yellow
Item Dimensions (LxWxH)	38 x 43.5 x 19.5 cm
Item Weight	9.84 kg
Power Consumption	700 Watts (Max)
Special Feature	Energy Star Certified

9. WARRANTY AND SUPPORT

9.1 Warranty Information

The Brother DCP-T700W printer comes with a **1-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for warranty claims. The warranty is applicable as per the manufacturer's terms and conditions.

9.2 Customer Support

For technical assistance, driver downloads, FAQs, or to locate a service center, please visit the official Brother support website. You can also find contact information for customer service in your region on their website.

REACH, Regulation No 1907/2006 on the Registration, Evaluation, Authorisation and Restriction of Chemicals.

REACH requires that sufficient information on Substances of Very High Concern (SVHC) contained in articles in concentration above 0.1% weight by weight (w/w) be communicated to allow the safe use of the product.

The following tables cover 211 REACH SVHCs which are updated by ECHA on 15 January 2021. (<http://echa.europa.eu/candidate-table>)

© 2000 Blackwell Science Ltd *Journal of Internal Medicine* 247: 369–375

The following products contain a SVHC in a concentration above 0.1% w/w.

Please read the Product Safety Guide first before you set up your machine. Then, please read this Quick Setup Guide for the correct setup and installation.

User's Guides for these models are available at <http://solutions.brother.com/manuals>.

 WARNING	WARNING indicates a potentially hazardous situation which, if not avoided, could result in death or serious injury.
CAUTION	CAUTION indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injury.
IMPORTANT	IMPORTANT indicates a potentially hazardous situation which, if not avoided, may result in damage to property or loss of product functionality.
NOTE	NOTE specifies the operating environment, conditions for installation, or a special condition of use.

NOTE

- Most of the illustrations in this Guide Setup Guide show the DCP-T7000W.
- If your computer does not have a CD-ROM drive, the supplied CD-ROM does not contain a driver for your operating system, or you want to download manuals and utilities, visit your model page at <http://support.leuther.com>.

1 Unpack the machine

WARNING

2 Remove the protective tape and film covering the machine, and also from the LCD and the ink tank cover.
