Graco Changing Table with Water-Resistant Change Pad and Safety Strap, Pebble Gray, Model 00524-36F

Instruction Manual

1. INTRODUCTION

Thank you for choosing the Graco Changing Table. This product is designed to provide a safe and convenient space for changing your baby while offering practical storage solutions. Please read this manual carefully before assembly and use to ensure the safety of your child and the longevity of the product. Keep this manual for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and the instructions could result in serious injury or death.

- Never leave child unattended on the changing table. Always keep your child in view.
- Always use the safety strap provided. Ensure the strap is securely fastened around your child.
- Keep all diapering essentials and other items within arm's reach but out of your child's grasp.
- The Graco Changing Table is JPMA Certified and safety tested to meet or exceed all applicable voluntary and mandatory safety standards, including ASTM and CPSIA.
- The extra deep surface provides added security during use.
- Maximum weight recommendation for the changing surface is 30 pounds.

3. PARTS LIST

Before assembly, ensure all parts and hardware are present. Refer to the assembly instructions included in the packaging for a detailed diagram.

- Changing Table Frame Components (New Zealand pine wood, engineered wood, and wood composites)

- Water-Resistant Changing Pad
- Safety Strap
- Two Open Storage Shelves
- Assembly Hardware (screws, hex wrench, etc.)
- Assembly Instructions

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required. Please follow the step-by-step instructions provided in the packaging. Typically, assembly can be completed in under 30 minutes with the included tools.

1. Unpack all components and verify against the parts list.
2. Attach the side panels to the back panel using the provided hardware.
3. Secure the two open storage shelves into their designated slots.
4. Attach the front rail to complete the changing surface enclosure.
5. Place the water-resistant changing pad onto the top surface.
6. Attach the safety strap to the changing pad as instructed.
7. Ensure all screws are tightened securely before use.

5. OPERATING INSTRUCTIONS

The Graco Changing Table is designed for ease of use and safety during diaper changes.

5.1 Placing Your Baby

Gently place your baby on the water-resistant changing pad. Always keep one hand on your baby at all times to prevent falls.

5.2 Securing Your Baby

Fasten the safety strap around your baby's waist. Ensure it is snug but not too tight, allowing for comfortable movement while preventing rolling.

5.3 Utilizing Storage

The two open shelves below the changing surface provide ample space for storing diapers, wipes, creams, and other baby essentials. Organize these items for quick and easy access during changes.

Functional and elegant

the perfect addition to any nursery

6. MAINTENANCE

6.1 Cleaning the Frame

Wipe the wood frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Dry thoroughly after cleaning.

6.2 Cleaning the Changing Pad

The water-resistant changing pad can be easily wiped clean with a damp cloth and mild soap. Ensure it is completely dry before placing your baby on it again.
