## 2. KEY FEATURES

- **GREENGUARD GOLD CERTIFIED:** This product has undergone rigorous scientific testing for over 10,000 chemical emissions and VOCs. It contributes to cleaner indoor air, creating a healthier environment for your baby to sleep, play, and grow.
- **GROWS WITH BABY:** Features four adjustable mattress positions that can be lowered as your baby begins to sit and stand. Easily converts to toddler bed, daybed, and full-size bed (full-size conversion kit No.M5789 sold separately).
- **QUALITY MATERIAL:** Made of solid sustainable New Zealand pinewood and TSCA compliant engineered wood.
- **FOR YOUR BABY'S SAFETY:** Finished in a non-toxic multi-step painting process and lead and phthalate safe.
- **COMPLETE THE LOOK:** Compatible with DaVinci Signature 5-Drawer Dresser & 6-Drawer Dresser for a coordinated nursery. For a best fit, we recommend DaVinci's line of non-toxic, GREENGUARD gold mattresses.

### 3. ASSEMBLY AND CONVERSION

---

For detailed assembly instructions, please refer to the official Installation Manual (PDF) provided with your product. The DaVinci Meadow Crib is designed for easy conversion to accommodate your child's growth.

#### 3.1. 4-in-1 Conversion Options

This crib offers four conversion options:

1. **Crib:** Standard configuration for infants.
2. **Toddler Bed:** Remove the front rail and attach a toddler rail (sold separately) for easy access.
3. **Daybed:** Remove the front rail for an open-front seating or sleeping area.
4. **Full-Size Bed:** Utilize the headboard and footboard with a full-size bed frame (conversion kit No.M5789 sold separately).

### 3.2. Adjustable Mattress Positions

The crib features four adjustable mattress positions to ensure safety as your child grows. The mattress support can be lowered as your baby becomes more mobile, from a newborn stage to when they can roll over, sit up, and stand. Always use the lowest mattress position once your child can stand unassisted.

## 4. CARE AND MAINTENANCE

To maintain the quality and appearance of your DaVinci Meadow Crib, wipe with a damp cloth. Avoid using abrasive chemicals for cleaning, as these can damage the finish and material.

## 5. SAFETY INFORMATION

The DaVinci Meadow Crib is designed with your baby's safety as a top priority. It is Greenguard Gold Certified, meaning it has been tested for over 10,000 chemical emissions and VOCs, contributing to healthier indoor air quality. The crib is finished with a non-toxic, multi-step painting process and is lead and phthalate safe.

## 8. TROUBLESHOOTING

---

While the DaVinci Meadow Crib is designed for durability and ease of use, here are some general troubleshooting tips:

- **Loose Connections:** Periodically check all bolts and screws to ensure they are tight. Do not overtighten.
- **Conversion Issues:** If you encounter difficulty during conversion, double-check the instruction manual for the specific steps and ensure all necessary parts (e.g., conversion kits) are available and correctly oriented.
- **Surface Imperfections:** As noted by some users, the wood can be soft. Handle with care during assembly and moving to prevent dents or scratches. Minor blemishes can sometimes be touched up with a matching paint marker.
- **Discoloration:** For white finishes, ensure the crib is stored in a clean, dry, climate-controlled environment to minimize potential yellowing over time.
