Claro All-in-1 Multi Eco Friendly Dishwasher Detergent Tablets

Brand: CLARO

PRODUCT OVERVIEW

Claro All-in-1 Multi Eco Friendly Dishwasher Detergent Tablets are designed for effective and environmentally conscious dishwashing. These tablets are free from phosphates, palm oil, and chlorine, are vegan, and are not tested on animals. They provide brilliant cleaning performance, removing even stubborn food residues.

This value pack contains 70 tablets, suitable for regular use. Each tablet is formulated to deliver impeccable results with just one tablet per wash cycle.

Key Features:

- **Eco-Friendly Formulation:** Phosphate-free, palm oil-free, chlorine-free, vegan, and not tested on animals.
- **Brilliant Cleaning:** High cleaning power to remove tough food residues and protect dishwasher surfaces.
- **Made in Austria:** Produced under high standards in Austria.
- **All-in-1 Functionality:** Combines multiple cleaning actions in one tablet.

- **Do Not Unwrap:** The tablet is encased in a water-soluble film. Do not remove this film before use.
- **Use Dry Hands:** Always handle the tablet with dry hands to prevent premature dissolution of the film.
- **Placement:** Place one tablet directly into the dry dispenser compartment of your dishwasher.
- **Incorrect Placement:** Do not place the tablet in the cutlery basket or the salt container.

After placing the tablet, close the dispenser compartment and start your dishwasher's wash cycle as usual.

DISHWASHER LOADING GUIDE

Proper loading of your dishwasher ensures optimal cleaning and water circulation.

Image: Recommended dishwasher loading and items to avoid washing in a dishwasher.

- Cutlery:** Place cutlery and kitchen utensils sorted in the cutlery basket. For cutlery baskets, ensure handles face downwards.
- Lower Rack:** Ideal for plates and large, bulky items such as pots and bowls.
- Spray Arms:** Ensure spray arms can rotate freely and are not obstructed by dishes.
- Dispenser Compartment:** Place one tablet with its water-soluble film directly into the dry compartment.
- Upper Rack:** Suitable for small, easily breakable items like glasses, cups, and plastic containers.

Items Not Suitable for Dishwashers:

Avoid washing the following items in your dishwasher to prevent damage:

- Hand-painted dishes
- Lead crystal
- Wooden dishes
- Porcelain with gold rim
- Garlic presses made of aluminum

TROUBLESHOOTING

Tablets Not Dissolving Completely:

If you notice that the dishwasher tablets are not dissolving entirely during a wash cycle, consider the following:

- **Dispenser Obstruction:** Ensure the tablet is not trapped or obstructed in the dispenser compartment. Dishes or cutlery should not block the dispenser lid from opening fully.
- **Spray Arm Interference:** Verify that the dishwasher's spray arms can rotate freely and are not blocked by tall dishes or utensils. Blocked spray arms can prevent water from reaching the dispenser effectively.
- **Water Temperature:** Ensure your dishwasher is reaching an adequate water temperature. Lower temperatures might affect tablet dissolution.
- **Water Pressure:** Check if your dishwasher has sufficient water pressure.

SAFETY INFORMATION

Please observe the following safety precautions when using Claro dishwasher tablets:

- **Keep Out of Reach of Children:** Store the product in a secure location inaccessible to children and pets.
- **Avoid Eye Contact:** In case of contact with eyes, rinse immediately and thoroughly with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice.
- **Do Not Ingest:** If swallowed, do not induce vomiting. Rinse mouth and drink plenty of water. Seek immediate medical attention and show the product packaging or label.
- **Skin Contact:** In case of skin contact, wash thoroughly with soap and water.
- **Ventilation:** Use in a well-ventilated area.
