# JBL Pulse 2 Portable Splashproof Bluetooth Speaker User Manual

Model: MAIN-08215

## 1. INTRODUCTION

---

This manual provides comprehensive instructions for the JBL Pulse 2 Portable Splashproof Bluetooth Speaker. It covers essential information regarding setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device. Please read this manual thoroughly before using the speaker.

## 2. PACKAGE CONTENTS

---

- JBL Pulse 2 Portable Splashproof Bluetooth Speaker (Black)
- Micro USB Charging Cable
- Quick Start Guide
- Safety Sheet

## 3. PRODUCT OVERVIEW

---

The JBL Pulse 2 is a portable Bluetooth speaker designed to deliver high-quality audio complemented by an interactive LED light show. Its splashproof construction allows for versatile use in various environments, and the built-in rechargeable battery provides extended playback.

### Speaker Components

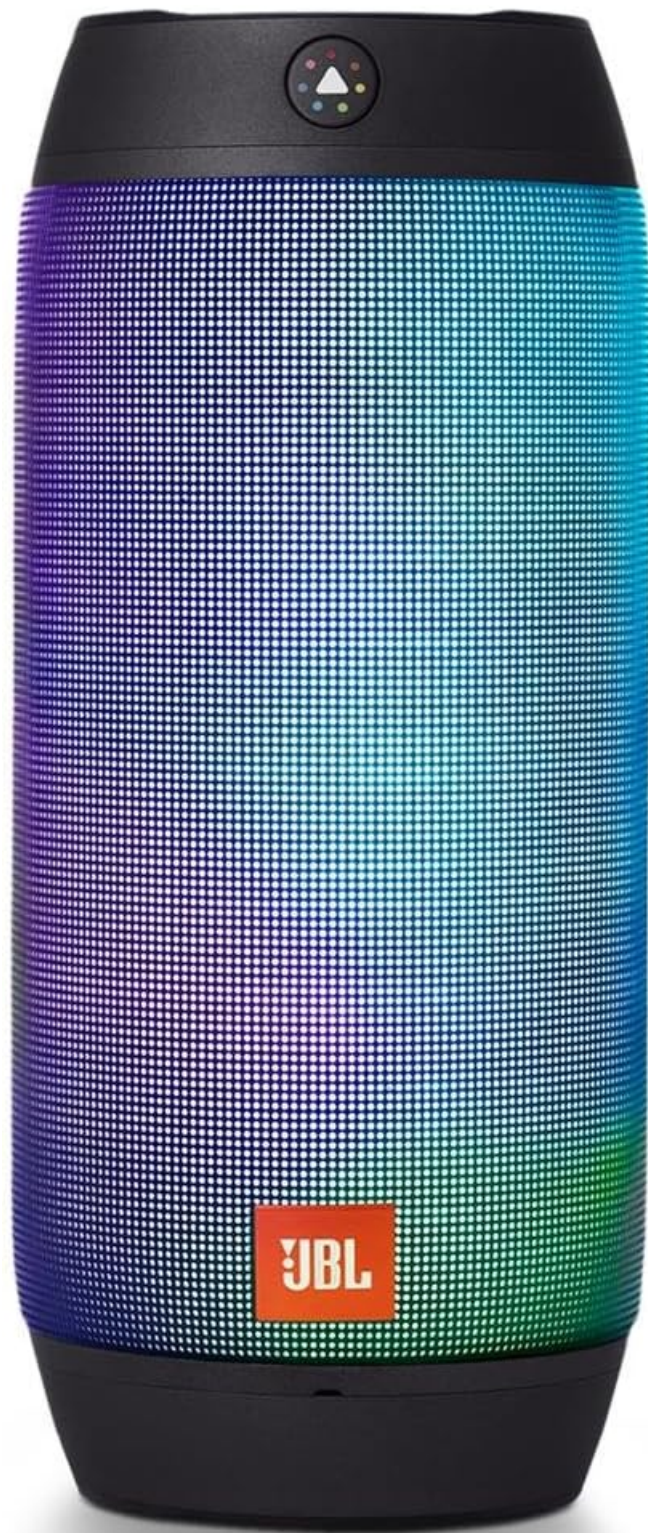

Image: Front view of the JBL Pulse 2 speaker, showcasing its cylindrical design and illuminated LED light panel displaying multiple colors.

Image: Rear view of the JBL Pulse 2 speaker, showing the power button, Bluetooth pairing button, light mode button, volume controls, play/pause button, JBL Connect button, AUX input, and micro USB charging port.

- **Power Button:** Turns the speaker on or off.
- **Bluetooth Button:** Initiates Bluetooth pairing mode.
- **Light Show Button:** Cycles through various light show modes.
- **Volume Buttons:** Adjusts the audio output level.
- **Play/Pause Button:** Controls audio playback (play, pause, answer/end calls).
- **JBL Connect Button:** Connects to other JBL Connect enabled speakers.
- **AUX Input:** For wired audio connection using a 3.5mm audio cable (not included).

- **Micro USB Port:** For charging the speaker's internal battery.
- **JBL Prism Color Sensor Lens:** Located on the top, used for sampling colors to customize the light show.

## 4. SETUP

---

### 4.1. Charging the Speaker

Before initial use, fully charge the JBL Pulse 2 to ensure maximum battery life.

1. Connect the micro USB cable to the charging port on the speaker.
2. Connect the other end of the USB cable to a compatible USB power adapter (not included) or a computer's USB port.
3. The LED indicator will illuminate to show charging status. A full charge typically takes approximately 5 hours.

### 4.2. Powering On/Off

Press the **Power Button** located on the rear panel to turn the speaker on or off.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Bluetooth Pairing

Connect your mobile device wirelessly to the JBL Pulse 2 via Bluetooth.

1. Power on the JBL Pulse 2.
2. Press the **Bluetooth Button**. The LED indicator will flash blue, signifying that the speaker is in pairing mode.
3. On your mobile device, enable Bluetooth and select "JBL Pulse 2" from the list of available devices.
4. Once successfully connected, the LED indicator on the speaker will turn solid blue.

### 5.2. Audio Playback

After successful Bluetooth pairing, audio from your connected device will play through the speaker.

- Use the **Volume Buttons** (+/-) on the speaker or your connected device to adjust the audio output level.
- Press the **Play/Pause Button** to control audio playback (play, pause).

### 5.3. Light Show Features

The JBL Pulse 2 features an interactive LED light show that synchronizes with your music.

1. Press the **Light Show Button** to cycle through various pre-set light patterns and modes.
2. To use the **JBL Prism Color Sensor Lens:** Point the lens (located on the top of the speaker) at a desired color (e.g., a wall, clothing, object) and press the button adjacent to the lens. The speaker's LED lights will then mimic and display that sampled color.

### 5.4. Speakerphone Function

The speaker includes a noise and echo-canceling speakerphone for clear hands-free calls.

- When an incoming call is received, press the **Play/Pause Button** to answer the call.
- Press the **Play/Pause Button** again to end the call.

## 5.5. JBL Connect

Connect multiple JBL Connect enabled speakers wirelessly to amplify your listening experience.

1. Ensure both JBL Connect enabled speakers are powered on.
2. Press the **JBL Connect Button** on the first speaker.
3. Press the **JBL Connect Button** on the second speaker within 30 seconds.
4. The speakers will connect and play audio simultaneously.

## 6. MAINTENANCE

---

### 6.1. Cleaning

Wipe the speaker with a soft, damp cloth. Do not use harsh chemicals, abrasive cleaners, or solvents, as these may damage the finish or internal components.

### 6.2. Splashproof Design

The JBL Pulse 2 features a splashproof design, meaning it can withstand splashes of water from any direction. It is not designed to be submerged in water. To maintain its splashproof integrity, ensure the charging port cover is securely closed before exposure to moisture.

### 6.3. Storage

When not in use for extended periods, store the speaker in a cool, dry place. Avoid exposing it to extreme temperatures, direct sunlight, or high humidity.

## 7. TROUBLESHOOTING

---

- **No Power:** Ensure the battery is charged. Connect the speaker to a power source using the provided USB cable and try again.
- **Cannot Pair Bluetooth:** Make sure the speaker is in pairing mode (flashing blue LED). Ensure your device's Bluetooth is enabled and within range (typically 10 meters or 33 feet). Try restarting both the speaker and your mobile device.
- **No Sound:** Check the volume levels on both the speaker and your connected device. Ensure the speaker is properly paired and connected to your audio source.
- **Light Show Not Working:** Press the **Light Show Button** to activate or change modes. Ensure the speaker is powered on.
- **Charging Issues:** Verify that the USB cable and power source are functional. Ensure the cable is securely connected to both the speaker and the power adapter.

## 8. SPECIFICATIONS

---

Feature	Detail
Model Number	MAIN-08215

## 9. WARRANTY INFORMATION

---

JBL products typically come with a limited manufacturer's warranty. Please refer to the warranty card included with your product or visit the official JBL website for detailed warranty terms and conditions specific to your region. It is recommended to retain your proof of purchase for any potential warranty claims.

## 10. CUSTOMER SUPPORT

---

For further assistance, technical support, or service inquiries, please visit the official JBL support website. Contact information and frequently asked questions can usually be found on the JBL website or in the product packaging. Do not attempt to repair the device yourself, as this may void your warranty.
