# Graco Remi All-in-One Convertible Crib & Changer Instruction Manual

Model: 04586-219

## 1. PRODUCT OVERVIEW

The Graco Remi All-in-One Convertible Crib & Changer is designed to adapt to your child's growth, offering four stages of use: a crib, a toddler bed, a daybed, and a full-size bed with headboard. This unit also features an attached changing table with storage and a full-size under-crib storage drawer.

This product is GREENGUARD Gold Certified, indicating it has been screened for over 10,000 chemicals and VOCs to contribute to cleaner indoor air. It is also JPMA Certified, meaning it meets or exceeds applicable safety standards.

## 2. SAFETY INFORMATION

---

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Child Safety:** This crib is intended for use until your child can easily climb out or is taller than 35 inches (89 cm).
- **Mattress Compatibility:** Use only a standard full-size crib & toddler mattress (sold separately) that fits snugly without gaps.
- **Regular Inspection:** Periodically check all screws, bolts, and fasteners to ensure they are tight and secure. Do not use the crib if any parts are missing, damaged, or broken.
- **Changing Table Safety:** Always use the safety strap provided with the water-resistant changing pad. Never leave a child unattended on the changing table.
- **Choking Hazard:** Keep small parts away from children during assembly.

## 3. INCLUDED COMPONENTS

---

The following components are included with your Graco Remi All-in-One Convertible Crib & Changer:

- Graco Remi All-in-One Convertible Crib with Drawer and Changer
- Hardware for assembly
- Assembly Instruction Manual (this document)

*Note: Mattress, toddler guardrail, and full-size bed conversion kit are sold separately.*

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly of the Graco Remi All-in-One Convertible Crib & Changer is required. Please follow the detailed step-by-step instructions provided in the separate Assembly Instruction booklet included in your packaging. Ensure all parts are present and undamaged before beginning assembly.

- **Tools:** A Phillips head screwdriver and an Allen wrench (often included) are typically required.
- **Team Assembly:** It is recommended that two adults assemble the unit for ease and safety.
- **Secure Fasteners:** Tighten all fasteners securely, but do not overtighten to avoid stripping screws or damaging wood.

## 5. CONVERSION INSTRUCTIONS

---

The Graco Remi is a 4-in-1 convertible crib, designed to transition with your child. Refer to the specific instructions in your Assembly Instruction booklet for detailed steps on each conversion.

### 5.1. Crib and Changer Configuration

This is the initial setup, providing a safe sleeping space and a convenient changing station with integrated storage.

### 5.2. Toddler Bed Conversion

To convert to a toddler bed, remove the front rail of the crib. A compatible Graco Toddler Safety Guardrail (Slats) – 01350-30 Series (sold separately) is recommended for added safety during this stage.

### 5.3. Daybed Conversion

The daybed configuration is achieved by removing the front rail, similar to the toddler bed, but without the guardrail. This provides an open-front sleeping or lounging space.

### 5.4. Full-Size Bed Conversion

For conversion to a full-size bed, the crib's headboard is used with a compatible full-size bed conversion kit (sold separately). This allows the crib to serve as a headboard for a standard full-size bed frame.

## 6. OPERATING INSTRUCTIONS

### 6.1. Adjustable Mattress Support Base

The Graco Remi features an adjustable mattress support base with 3 different height options. This allows you to lower the mattress position as your child grows and becomes more mobile, ensuring their safety by preventing them from climbing out.

1. **Highest Position:** For infants who cannot push up on their hands and knees.
2. **Middle Position:** For infants who can push up on their hands and knees.

3. **Lowest Position:** For children who can sit up or stand.

Always ensure the mattress support is securely locked into position after adjustment. Refer to your Assembly Instruction booklet for detailed steps on adjusting the mattress height.

## 7. CARE AND MAINTENANCE

---

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish.
- **Inspection:** Regularly inspect the crib for any loose hardware, damaged parts, or signs of wear. Tighten any loose fasteners.
- **Storage:** If disassembling for storage, keep all hardware in a secure place and store components in a dry environment to prevent warping or damage.

## 8. TROUBLESHOOTING

---

If you encounter any issues with your Graco Remi All-in-One Convertible Crib & Changer, please consider the following:

- **Assembly Issues:** Double-check the Assembly Instruction booklet to ensure all steps were followed correctly and all hardware is properly installed and tightened.
- **Missing Parts:** If any parts were missing upon delivery, contact Graco customer service immediately.
- **Stability Concerns:** Ensure the crib is placed on a flat, level surface and all fasteners are securely tightened.

For further assistance, please contact Graco customer support.
